STYLE AND FORMAT OF THE WASHINGTON STATE REGISTER

1. ARRANGEMENT OF THE REGISTER

The Register is arranged in the following eight sections:

- (a) **PREPROPOSAL**-includes the Preproposal Statement of Inquiry that will be used to solicit public comments on a general area of proposed rule making before the agency files a formal notice.
- (b) **PROPOSED**-includes the full text of formal proposals, continuances, supplemental notices, and withdrawals.
- (c) **EXPEDITED RULE MAKING**-includes the full text of the rule being proposed using the expedited rule-making process. Expedited rule makings are not consistently filed and may not appear in every issue of the register.
- (d) **PERMANENT**-includes the full text of permanently adopted rules.
- (e) **EMERGENCY**-includes the full text of emergency rules and rescissions.
- (f) MISCELLANEOUS-includes notice of public meetings of state agencies, rules coordinator notifications, summaries of attorney general opinions, executive orders and emergency declarations of the governor, rules of the state Supreme Court, and other miscellaneous documents filed with the code reviser's office under RCW 34.08.020 and 42.30.075.
- (g) TABLE-includes a cumulative table of the WAC sections that are affected in the current year.
- (h) INDEX-includes a cumulative index of Register Issues 01 through 24.

Documents are arranged within each section of the Register according to the order in which they are filed in the code reviser's office during the pertinent filing period. Each filing is listed under the agency name and then describes the subject matter, type of filing and the WSR number. The three part number in the heading distinctively identifies each document, and the last part of the number indicates the filing sequence with a section's material.

2. PRINTING STYLE—INDICATION OF NEW OR DELETED MATERIAL

RCW 34.05.395 requires the use of certain marks to indicate amendments to existing agency rules. This style quickly and graphically portrays the current changes to existing rules as follows:

- (a) In amendatory sections—
 - (i) <u>underlined material</u> is new material;
 - (ii) deleted material is ((lined out between double parentheses));
- (b) Complete new sections are prefaced by the heading <u>NEW SECTION</u>;
- (c) The repeal of an entire section is shown by listing its WAC section number and caption under the heading <u>REPEALER</u>.

3. MISCELLANEOUS MATERIAL NOT FILED UNDER THE ADMINISTRATIVE PROCEDURE ACT

Material contained in the Register other than rule-making actions taken under the APA (chapter 34.05 RCW) does not necessarily conform to the style and format conventions described above. The headings of these other types of material have been edited for uniformity of style; otherwise the items are shown as nearly as possible in the form submitted to the code reviser's office.

4. EFFECTIVE DATE OF RULES

- (a) Permanently adopted agency rules normally take effect thirty-one days after the rules and the agency order adopting them are filed with the code reviser's office. This effective date may be delayed or advanced and such an effective date will be noted in the promulgation statement preceding the text of the rule.
- (b) Emergency rules take effect upon filing with the code reviser's office unless a later date is provided by the agency. They remain effective for a maximum of one hundred twenty days from the date of filing.
- (c) Rules of the state Supreme Court generally contain an effective date clause in the order adopting the rules.

5. EDITORIAL CORRECTIONS

Material inserted by the code reviser's office for purposes of clarification or correction or to show the source or history of a document is enclosed in [brackets].

All documents are due at the code reviser's office by 12:00 noon on or before the applicable closing date for inclusion in a particular issue of the Register; see WAC 1-21-040.

A filing of any length will be accepted on the closing dates of this column if it has been prepared and completed by the order typing service (OTS) of the code reviser's office; see WAC 1-21-040. Agency-typed material is subject to a ten page limit for these dates; longer agency-typed material is subject to the earlier non-OTS dates.

At least twenty days before the rule-making hearing, the agency shall cause notice of the hearing to be published in the Register; see RCW 34.05.320(1). These dates represent the twentieth day after the distribution date of the applicable Register.

A minimum of forty-five days is required between the distribution date of the Register giving notice of the expedited adoption and the agency adoption date. No hearing is required, but the public may file written objections. See RCW 34.05.230 and 1.12.040.

REGULATORY FAIRNESS ACT

The Regulatory Fairness Act, chapter 19.85 RCW, was enacted in 1982 to minimize the impact of state regulations on small business. Amended in 1994, the act requires a small business economic impact analysis of proposed rules that impose more than a minor cost on twenty percent of the businesses in all industries, or ten percent of the businesses in any one industry. The Regulatory Fairness Act defines industry as businesses within a four digit SIC classification, and for the purpose of this act, small business is defined by RCW 19.85.020 as "any business entity, including a sole proprietorship, corporation, partnership, or other legal entity, that is owned and operated independently from all other businesses, that has the purpose of making a profit, and that has fifty or fewer employees."

Small Business Economic Impact Statements (SBEIS)

A small business economic impact statement (SBEIS) must be prepared by state agencies when a proposed rule meets the above criteria. Chapter 19.85 RCW requires the Washington State Business Assistance Center (BAC) to develop guidelines for agencies to use in determining whether the impact of a rule is more than minor and to provide technical assistance to agencies in developing a SBEIS. All permanent rules adopted under the Administrative Procedure Act, chapter 34.05 RCW, must be reviewed to determine if the requirements of the Regulatory Fairness Act apply; if an SBEIS is required it must be completed before permanent rules are filed with the Office of the Code Reviser.

Mitigation

In addition to completing the economic impact analysis for proposed rules, state agencies must take reasonable, legal, and feasible steps to reduce or mitigate the impact of rules on small businesses when there is a disproportionate impact on small versus large business. State agencies are encouraged to reduce the economic impact of rules on small businesses when possible and when such steps are in keeping with the stated intent of the statute(s) being implemented by proposed rules. Since 1994, small business economic impact statements must contain a list of the mitigation steps taken, or reasonable justification for not taking steps to reduce the impact of rules on small businesses.

When is an SBEIS Required?

When:

The proposed rule has more than a minor (as defined by the BAC) economic impact on businesses in more than twenty percent of all industries or more than ten percent of any one industry.

When is an SBEIS Not Required?

When:

The rule is proposed only to comply or conform with a federal law or regulation, and the state has no discretion in how the rule is implemented;

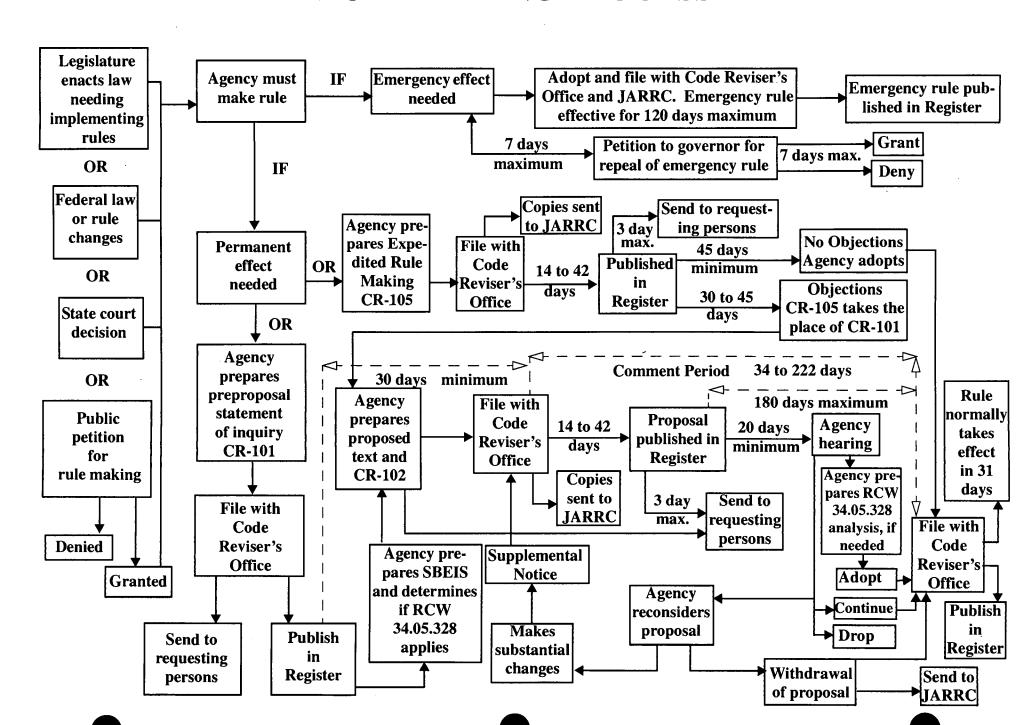

There is less than minor economic impact on business;

The rule REDUCES costs to business (although an SBEIS may be a useful tool for demonstrating this reduced impact);

The rule is adopted as an emergency rule, although an SBEIS may be required when an emergency rule is proposed for adoption as a permanent rule; or

The rule is pure restatement of state statute.

WSR 03-02-035 PREPROPOSAL STATEMENT OF INQUIRY DEPARTMENT OF FISH AND WILDLIFE

[Filed December 23, 2002, 4:06 p.m.]

Subject of Possible Rule Making: Rules relating to oyster diseases and shellfish pests.

Additionally, rules are being revised to add safety features required of residential services and to correct errors in rules adopted as WSR 01-22-020.

Statutes Authorizing the Agency to Adopt Rules on this Subject: Chapter 71A.12 RCW.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: To specify health and safety standards that service providers must meet to support clients in mental health diversionary beds. The rules also specify training requirements for staff working with clients in these facilities and administrative responsibilities of the contractor. The standards will ensure provision of supports to clients in DDD-contracted mental health diversion beds that are consistent with the division's philosophy of community supports

and establish standards for monitoring these services. The addition of language regarding safety features is to also clarify requirements for providers regarding the health and safety of clients receiving community residential services and support services. DDD also proposes revisions to: Correct errors in rules adopted as WSR 01-22-020; clarify the language of the rules; and clarify requirements for providers.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: The department welcomes public participation in the development of these rules. At a later date, the department will publish proposed rules for public comment, and a public hearing will be held before the rules are adopted as permanent. Draft material and information about how to participate may be obtained from the department representative listed below.

[Filed December 30, 2002, 9:48 a.m.]

Subject of Possible Rule Making: WAC 180-82-204 and 180-82A-204, relating to teacher certification endorsement requirements.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 28A.400.010 and 28A.305.130.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: It is not possible under current State Board of Education policy for a teacher to add a subject endorsement to their certificate based on earning the subject endorsement through National Board for Professional Teaching Standards certification.

Process for Developing New Rule: Negotiated rule making, early solicitation of public comments and recommendations respecting new, amended or repealed rules, and consideration of the comments and recommendations in the course of drafting rules.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by sending written comments to Rules Coordinator, State Board of Education, Office of Superintendent of Public Instruction, P.O. Box 47200, Olympia, WA 98504-7200, fax (360) 586-2357, TTY (360) 664-3631. For telephone assistance contact Larry Davis at (360) 725-6024.

Subject of Possible Rule Making: WAC 180-24-410 and 180-24-415, relating to granting remote and necessary status designation to small school plants in school districts.

Statutes Authorizing the Agency to Adopt Rules on this Subject: Section 502 (d)(e), Part V, chapter 7, Laws of 2001, State Operating Budget Act.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The basic policy of the state board is that the identified factors for decision-making consideration be treated equally, none to have inherently more weight than another. One factor has been given special weight contrary to the underlying policy philosophy.

Process for Developing New Rule: Negotiated rule making, early solicitation of public comments and recommendations respecting new, amended or repealed rules, and consideration of the comments and recommendations in the course of drafting rules.

WSR 03-02-076 PREPROPOSAL STATEMENT OF INQUIRY DEPARTMENT OF FISH AND WILDLIFE

[Filed December 30, 2002, 1:22 p.m.]

Subject of Possible Rule Making: Merge former Departments of Fisheries' (chapter 220-100 WAC) and Wildlife's (chapter 232-19 WAC) SEPA procedures into those for Washington Department of Fish and Wildlife.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 77.12.047.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Prior to merging former Department of Wildlife and Department of Fisheries into the Washington Department of Fish and Wildlife in 1993, each agency had their own SEPA WACs as required by chapter

43.21C RCW. We have not merged the WACs into one set of rules. There are some discrepancies between the two sets of WACs, and some information needs to be clarified.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: Ecology is the agency that administers the SEPA rules which require agencies to establish WACs to implement chapter 43.21C RCW. All state agencies whose actions may impact or affect the environment are required to establish rules and to do environmental review on those actions. In addition, SEPA review (unless an action is exempted) is required of all applicants seeking any environmental permits (e.g., HPA, shorelines, building, water quality, wetland permits) from state or local agencies. Coordination is provided through ecology's SEPA rules which identify the process to coordinate with other agencies for environmental review. This coordination may include prereview requests for an agency's expertise on a subject. All agencies of jurisdiction are sent copies of SEPA documents on activities or actions, with the understanding they will respond in the time period requested for comments.

Process for Developing New Rule: These are not new rules, but rather rules that have been merged into one set of WACs. Changes are primarily housekeeping changes.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Washington Department of Fish and Wildlife, Cynthia R. Pratt, Agency Responsible Official, Habitat Program, 600 Capitol Way North, Olympia, WA 98501-1091. These merged rules will be sent out for review and comment prior to adoption. Contact by February 14, 2003, expected proposal filing February 15, 2003.

WSR 03-02-096 PREPROPOSAL STATEMENT OF INQUIRY HEALTH CARE AUTHORITY

(Basic Health Plan)
[Order 03-01—Filed January 2, 2003, 8:16 a.m.]

Subject of Possible Rule Making: Revise rules regarding enrollment limits for subsidized Basic Health, to simplify the process if the administrator finds that a danger of overexpenditure of appropriations exists, requiring that enrollment be limited or closed.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 70.47.050, these rules implement the requirements of RCW 70.47.060(4) and 70.47.080, which require the closing of enrollment if the administrator finds a danger of overexpenditure of appropriations exists.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Basic Health is required to be prepared to limit or close enrollment if the administrator finds that continued enrollment is likely to lead to an overexpenditure of appropriations. These revisions are intended to simplify the processes used, both for applicants and for program administration, if enrollment must be limited or closed.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: No other federal or state agencies regulate this subject.

Subject of Possible Rule Making: Stewardship of human biological specimens that are submitted to the Department of Health's public health laboratories for testing. To define conditions of storage, access, use, and disposal of these speci-

mens to protect patients' privacy and confidentiality rights and allow appropriate use of specimens for health care, quality assurance and properly approved research purposes.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 43.17.060, 43.70.130, 70.83.050.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Rapid advances in genetic testing and mapping of human genome has increased public concern for the privacy and confidentiality of information available from DNA. Because DNA is found in all biological specimens, assuring responsible stewardship of human specimens submitted to the state's public health laboratories is important to maintaining the public's trust. Recognizing this, the genetics task force, convened by the Board of Health under legislative directive, included in its recommended strategies to safeguard civil rights and privacy related to genetic information to "adopt in rule the existing administrative policies protecting the privacy of newborn screening specimens and other tissue samples held by the state."

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: The State Board of Health adopts rules related to newborn screening (RCW 70.83.050) and directs hospitals to submit dried blood spot specimens to the public health laboratories (chapter 246-650 WAC). The department and the board will work jointly in the rule development process.

Process for Developing New Rule: Agency study.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. Proposed rule language will be circulated to interested parties for review and comment. If sufficient interest is identified, public meetings will be held to facilitate further discussion and consideration.

WSR 03-01-010 PROPOSED RULES DEPARTMENT OF SOCIAL AND HEALTH SERVICES

(Disabilities and Long-Term Care Administration) [Filed December 5, 2002, 11:28 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-15-056.

Title of Rule: Adult day services, new WAC 388-71-0702 through 388-71-0776.

Purpose: Amending and reorganizing Aging and Adult Services Administration (AASA) rules into chapter 388-71 WAC is necessary to comply with the Governor's Executive Order 97-02 and the Secretary's Order on Regulatory Improvement. These rules will be amended to ensure that adult day services are provided within available funding as required by law. Rules are needed to clarify the purpose of adult day care/day health programs; to clarify or amend adult day care/day health services and eligibility requirements; to transfer adult day health eligibility determinations to department/AAA case managers; to clarify the status of adult day centers as contracted providers; to clarify the hearing rights of clients and providers; to adopt program cost controls; to amend administrative requirements for contracting with the department/area agencies on aging; and to adopt or clarify such other rules as are necessary or appropriate to accomplish

This rule making was initiated by a prenotice inquiry filed as WSR 02-15-056 on July 11, 2002. This prenotice inquiry superseded the notice filed as WSR 00-08-049 on March 31, 2000. The department initiated the current rule making in response to a rule-making petition filed on June 18, 2002, by the Washington Adult Day Services Association (WADSA) and a number of adult day service providers. WADSA's proposed rules and an earlier draft of the department's proposed rules were used as a starting point for further discussions with the petitioners and other interested stakeholders.

Statutory Authority for Adoption: RCW 74.04.050, 74.04.057, 74.04.200, 74.08.090, 74.09.520, and 74.39A.-030.

Statute Being Implemented: RCW 74.04.050, 74.04.-057, 74.04.200, 74.08.090, 74.09.520, and 74.39A.030.

Summary: Repealing sections of WAC 388-15-650 through 388-15-662, adult day services. Revised sections will be reorganized and moved into chapter 388-71 WAC. This change is necessary to comply with the Governor's Executive Order 97-02 and the Secretary's Order on Regulatory Improvement. These rules will be amended to clarify eligibility requirements for adult day care and adult day health services funded by Medicaid and to make other changes as needed.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Candace Goehring, P.O. Box 45600, Olympia, WA 98504-5600, (360) 725-2562, goehrcs2@dshs.wa.gov.

Name of Proponent: Department of Social and Health Services, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: Amending and reorganizing AASA rules into chapter 388-71 WAC is necessary to comply with the Governor's Executive Order 97-02 and the Secretary's Order on Regulatory Improvement. Rules are being amended to clarify eligibility, to transfer adult day health eligibility determinations to department/area agency on aging case managers, and to make other changes as necessary.

The fiscal impact may include decreased costs for payment of adult day health service to Medicaid recipients due to clarification of eligibility criteria and the elimination of self-referral and center determination of client eligibility. Eligibility determination and authorization will be transferred to home and community services social workers or community nurse consultants, area agency on aging case managers and the Division of Developmental Disabilities (DDD) caseworkers

Initial costs may be increased to the department/area agencies on aging to provide comprehensive assessments to an estimated four hundred fifty Medicaid recipients attending adult day centers that will be new to AASA. It is also anticipated that costs may be incurred while providing fair hearing rights and interpreter support to existing center clients that may not meet clarified eligibility criteria.

Caseload impact will include an anticipated increase in on-going case management services through area agencies on aging, as well as an estimated four hundred fifty initial comprehensive assessments provided by home and community services. The DDD will also be required to provide eligibility review and authorization to approximately one hundred eighty clients.

This administration expects the loss of revenue to the adult day care/adult day health providers affected to be minor.

Proposal Changes the Following Existing Rules: Repealing sections of WAC 388-15-650 through 388-15-662, adult day services. Revised sections will be reorganized and moved into chapter 388-71 WAC. The new rules clarify eligibility criteria, transfer adult day health eligibility determinations to the department/AAA case managers, and make other changes as necessary.

No small business economic impact statement has been prepared under chapter 19.85 RCW. No statement was prepared because upon review of all adult day services businesses operating in the state, none meet the criteria of a small business.

RCW 34.05.328 applies to this rule adoption. Cost benefit analysis is required for this rule under RCW 34.05.328 [(5)](c)(iii). The department considers its proposed rules concerning eligibility assessments (WAC 388-71-0720 and 388-71-0722) for adult day health services to be "significant legislative rules" within the meaning of RCW 34.05.328, because the proposed rules would adopt new, or make significant amendments to, a policy or regulatory program.

A copy of the cost-benefit analysis may be obtained from Candace Goehring, P.O. Box 45600, Olympia, WA 98504-5600, (360) 725-2562, goehrcs2@dshs.wa.gov.

[1]

The department's proposed rules concerning clarification of existing client medical and financial eligibility and client hearing rights as required by RCW and C.F.R., are not considered "significant legislative rules" under RCW 34.05.328 (5)(b)(vii), which exempts "rules of the Department of Social and Health Services relating only to client medical or financial eligibility and rules concerning liability for care of dependents." These amended rules provide for clarification of existing rules and ensure client rights to challenge an eligibility assessment.

ADULT DAY SERVICES

NEW SECTION

WAC 388-71-0702 Purposes and definitions. (1) WAC 388-71-0702 through 388-71-0776 contain the eligibility requirements for Medicaid-funded adult day care and adult day health services. These rules also contain the requirements that apply to adult day care or day health centers that contract with the department, an area agency on aging, or other department designee to provide Medicaid services to department clients. Nothing in these rules may be construed as requiring the department, area agency on aging, or other designee to contract with an adult day care or day health center.

(2) An adult day services program is a community-based program designed to meet the needs of adults with impairments through individual plans of care. This type of structured, comprehensive, nonresidential program provides a variety of health, social, and related support services in a protective setting. By supporting families and caregivers, an adult day services program enables the person to live in the community. An adult day services program assesses the needs of the persons served and offers services to meet those needs. The persons served attend on a planned basis. Nothing in this generic description of adult day services may be construed to modify the specific services or eligibility

requirements referenced in the definition of adult day care and adult day health.

- (3) The following definitions apply under WAC 388-71-0702 through 388-71-0774:

- (b) "Adult day center" means an adult day care or adult day health center. A day care or day health center for purposes of these rules is a center operating in a specific location, whether or not the center's owner also operates adult day centers in other locations.
- (c) "Adult day health" means the services under WAC 388-71-0706 that are provided to clients who meet the eligibility requirements under WAC 388-71-0710.
- (d) "Adult day services" is a generic term referring to adult day care and adult day health services.

Physician orders must be obtained when required by applicable state practice laws for licensed nurses.
- (2) Skilled nursing services must exceed the level of routine health monitoring, general health education, and general therapeutic activities as defined in WAC 388-71-0704, and must be provided with the reasonable expectation that the services will improve, restore, or maintain function as defined in WAC 388-71-0710 (1)(c). Skilled nursing services are:
 - (a) Specific to a client diagnosis;
- (b) Individualized to the client with planned measurable outcomes; and
- (c) Evaluated every ninety days for effect on improvement of health status or prevention of decline.
- (3) Skilled nursing services, including the initial client nursing assessment and development of the nursing plan of care, must be provided or supervised by a registered nurse in accordance with nursing practice standards under chapter 246-840 WAC.
- (4) A skilled nursing service is not a qualifying adult day health service merely because the service is ordered by a physician or is provided by a nurse. If, by way of example, the service can be performed by the client or at the client's direction by a person other than a licensed nurse, or the client does not meet eligibility criteria, it is not a qualifying adult day health service.

- (5) Skilled nursing services must be medically necessary as defined under WAC 388-500-0005. Medically necessary skilled nursing services may, but do not necessarily, include:
- (a) Care and assessment of an unstable or unpredictable medical condition, with time limited measurable treatment goals, requiring frequent intervention by a registered nurse or by a licensed practical nurse under the supervision of a registered nurse according to WAC 246-840-705;
- (b) Evaluation and management of the care plan when unstable medical conditions or complications require complex nonskilled care and skilled nurse oversight to ensure that the nonskilled care is achieving its purpose;
- (c) Time-limited training by licensed nursing staff to teach the client and/or the client's caregiver self-care for newly diagnosed, acute, or episodic medical conditions that require the skills of a licensed nurse to teach, and that will optimize client function, as illustrated by the following examples:
 - (i) Self administration of an injection;
 - (ii) Prefilling insulin syringes;
 - (iii) Irrigating a catheter;
 - (iv) Caring for a colostomy or urostomy;
 - (v) Wound dressing changes or aseptic technique; or
 - (vi) Disease self-management.
- (d) Skilled interventions provided directly by a licensed nurse such as:
 - (i) Inserting or irrigating a catheter;
 - (ii) Administering medications or oxygen;
 - (iii) Administering and managing infusion therapy; or

- (6) Medically necessary skilled nursing services, by way of example, do **not** include:
 - (a) Reminding or coaching the client;
- (b) Monitoring of a medical condition that does not require frequent skilled nursing intervention or a change in physician treatment orders, or where there is no reasonable expectation that skilled services will maintain, improve, or slow the effect of a progressive disabling condition on the pain, health or functioning of a client;
- (c) Medication assistance when the client is capable of self-administration or is having this need met through paid or unpaid caregivers;
- (d) Evaluation and management of the care plan when the complexity of care to be provided by nonskilled persons does not require skilled nurse oversight beyond routine health monitoring;
- (e) Continued training by nursing staff to teach self-care for newly diagnosed, acute, or episodic medical conditions when it is apparent that the training should have achieved its purpose or that the client is unwilling or unable to be trained;
- (f) Core services that can be provided by an adult day care center, such as routine health monitoring, general health education, or general therapeutic activities; or
- (g) Group therapy or training where three or more clients are being simultaneously treated or trained by the nurse.

Physician orders must be obtained when required by applicable state practice laws for licensed therapists.

- (a) Persons that can provide rehabilitative care under the direction and supervision of a licensed therapist include occupational therapy aides, occupational therapy assistants, physical therapy aides, physical therapy assistants, and nurses within their respective scopes of practice. Adult day health program aides, specifically trained in rehabilitative techniques, may also provide care under the direction and supervision of a licensed therapist.
- (b) Services, group or individual, must be related to an active written plan of care with time limited measurable treatment goals approved by the physician;
- (c) Services, group or individual, must require the assessment, knowledge and skills of a licensed therapist; and
- (d) Services, group or individual, must be provided with the reasonable expectation that the services will improve, restore, or maintain function, or slow decline. Rehabilitative services are:
 - (i) Specific to a client diagnosis;
- (ii) Individualized to the client with planned, measurable outcomes; and
- (iii) Evaluated every ninety days for effect on improvement of health status or prevention of decline.
- (2) Skilled rehabilitative therapy is not a qualifying adult day health service merely because the therapy is ordered by a physician or is provided by a therapist or under the supervision of a therapist. If, by way of example, the therapy can be performed independently by the client or at the client's direction by a person other than a licensed therapist, or the client does not meet eligibility criteria, it is not a qualifying adult day health service.

- (e) Evaluation and management of the care plan when medical conditions or complications require complex nonskilled care and skilled therapist oversight to ensure that the nonskilled care is achieving its purpose; or

- (4) Medically necessary occupational therapy services may, but do not necessarily include:
- (a) Administering a basic evaluation to determine baseline level of functioning, ability to transfer, range of motion, balance, strength, coordination, activities of daily living and cognitive-perceptual functioning;
- (b) Teaching and training the client, caregivers, or program staff in the use of therapeutic, creative, and self care activities to improve or maintain the client's capacity for self-care and independence, and to increase the range of motion, strength and coordination;

expectation that skilled services will maintain, improve, or slow the effect of a progressive disabling condition on the pain, health or functioning of a client;

- (c) Massage therapy;
- (d) Evaluation and management of the care plan when the complexity of the care to be provided by nonskilled persons does not require the skills of a licensed therapist for oversight;
- (e) Continued training by therapy staff to teach self-care for newly diagnosed, acute, or episodic medical conditions when it is apparent that the training should have achieved its purpose or that the client is unwilling or unable to be trained;
- (f) Core services that can be provided by an adult day care center, such as routine health monitoring, general health education, or general therapeutic activities; or

WAC 388-71-0716 Adult day care—Assessment and service plan. (1) The department or an authorized case manager must assess a client's need for adult day care in accordance with WAC 388-71-0203 and 388-71-0716. Based on the assessment, the case manager determines whether the client should be referred for day care services or whether the client's needs can be met in other ways.

- (2) If the case manager determines an unmet need for a core service that may be provided at a day care center, the case manager works with the client and/or the client's representative to develop a service plan that documents the needed services and the number of days per week that the services are to be provided. The case manager refers the client to a COPES-contracted day care center that the client and the case manager agree can potentially meet the client's needs.
- (3) Clients receiving adult day care services must be reassessed at least annually in accordance with WAC 388-71-0203 and 388-71-0716.

NEW SECTION

WAC 388-71-0718 Adult day care—Negotiated care plan. (1) Upon referral of a COPES eligible client by the case manager, the day care center must conduct an intake evaluation based on an interview with the client and/or the client's representative to assess the center's ability to meet the client's needs as identified in the department service plan. The case manager will provide the client's service plan to the adult day care provider within five working days after the client or client's representative has signed it.

(2) Within two working days of the referral, the day care center must respond to the referral and notify the case manager of its ability to process and evaluate the referral.

- (3) Within ten working days of the initial date of client attendance at the day care center, the center must determine whether it can meet the client's needs, how those needs will be met, and whether to accept the client to the program. The center must not accept a client whose needs the center cannot meet.
- (4) Within thirty days of acceptance into the program, the day care center must develop a negotiated care plan signed by the client or the client's representative and the day care center. The care plan must:
- (a) Be consistent with the department-authorized service plan and include all day care services authorized in the service plan;
- (b) Document the client's needs as identified in the service plan, the adult day care services that will be provided to meet those needs, and when, how, and by whom the services will be provided;
- (c) Document the client's choices and preferences concerning the provision of care and services, and how those preferences will be accommodated;
- (d) Document potential behavioral issues identified in the assessment, service plan, or through the intake evaluation, and how those issues will be managed;
- (e) Document contingency plans for responding to a client's emergent care needs or other crises; and
 - (f) Be approved by the client's case manager.
- (5) The adult day care center must keep the negotiated care plan in the client's file, must offer a copy of the plan to the client or client representative, and must provide a copy to the client's case manager. The case manager must review the negotiated care plan for inclusion of services that are appropriate and authorized for the client's care needs.
- (6) The negotiated care plan must limit the frequency of services to the number of days authorized in the department-authorized service plan.
- (7) The day care center must review each service in the negotiated care plan if the client's condition changes, and determine if the care plan continues to meet the client's needs. Changes in the client's condition or unanticipated absences of more than three consecutive days of scheduled service must be reported to the client's case manager within one week. Unanticipated absences by way of example may include absences due to client illness or injury, or a change in transportation access. The case manager may follow-up with the client and determine if any updates to the assessment, service plan, and service authorization are needed.

WAC 388-71-0720 Adult day health—Assessment and service plan. (1) The department or an authorized case manager must assess a client's potential need for adult day health in accordance with WAC 388-71-0203 and 388-71-0720.

(2) If the client **has** a department or area agency on aging case manager, the adult day health center or other referral source must notify the case manager of the client's potential adult day health service need. The case manager must assess the client's need for skilled nursing or skilled rehabilitative

therapy within the department's normal time frames for client reassessments.

- (3) If the client does not have a department or area agency on aging case manager, the adult day health center or other referral source must notify the department of the referral and the client's potential adult day health service need, or refer the client to the department for intake. The department's assigned case manager must assess the client's need for adult day health services within the department's normal time frames for initial client eligibility assessments.
- (4) Based on the assessment, the department or area agency on aging case manager determines whether the client should be referred for a day health service evaluation or whether the client's needs can be met in other ways. The case manager may consult with the client's practitioner, department or area agency on aging nursing services staff, or other pertinent collateral contacts, concerning the client's need for skilled nursing or rehabilitative therapy.
- (5) If the department or area agency on aging case manager determines and documents a potential unmet need for day health services, the case manager works with the client and/or the client's representative to develop a service plan that documents the potential unmet needs and the anticipated number of days per week that the services are needed. The case manager refers the client to a department contracted day health center for evaluation and the development of a preliminary negotiated plan of care.
- (6) The department or area agency on aging case manager must reassess adult day health clients at least annually in accordance with WAC 388-71-0203 and 388-71-0720 or its successor. Clients must also be reassessed if they have a break in service of more than thirty days. The adult day center must inform the case manager of the break in service so payment authorization can be discontinued.
- (7) Effective upon the adoption of these rules, recipients of adult day health services must be assessed by the department or an authorized case manager for continued or initial eligibility in accordance with this section. The assessment from the department will occur in conjunction with the:
 - (a) Annual reassessment for department clients;
- (b) Adult day health quarterly review for current nondepartmental clients as resources allow; and
- (c) New referrals for adult day health services are to be forwarded to local department offices for intake and assessment for eligibility.
- (8) The department or area agency on aging case manager must review a client's continued eligibility for adult day health services every ninety days, coinciding with the quarterly review completed by the adult day health program. At the case manager's discretion, additional information will be gathered through face to face, collateral or other contact methods to determine continued eligibility. Services will be continued, adjusted, or terminated based upon the case manager's determination during the eligibility review.

Orders must indicate how often the client is to be seen by the authorized practitioner. The case manager or nursing services staff may follow up with the practitioner or other pertinent collateral contacts concerning the client's need for skilled services. Services may not be authorized for payment without current practitioner orders and the client's consent to follow up with the practitioner.

- (7) The negotiated care plan must limit the frequency of department-funded services to the number of days in the department-authorized service plan.
- (8) The day health center must review each service in the negotiated care plan every ninety days or more often if the client's condition changes, or if the client is reassessed for eligibility after a break in service of more than thirty days. WAC 388-71-0726 Adult day health transportation. The following rules apply if Medicaid transportation services are requested:

- (1) The day health center must refer the client to a local Medicaid transportation broker. The broker may consult with the client, the client's physician, family, case manager, or day health center as needed in making any transportation arrangements.
- (2) In referring the client to a day health center, the case manager may consider: the frailty and endurance of the client, the client's skilled nursing or rehabilitative therapy needs, and a reasonable round-trip travel time that may not exceed two hours, unless there is no closer center that can meet the client's skilled care needs. Documentation of language barriers may be considered on an exception to rule basis by the case manager.

Statutory Authority for Adoption: RCW 74.08.090, 74.09.520, 74.39A.090.

Statute Being Implemented: RCW 74.09.520, 74.39A.090.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: These rules will support the implementation of the comprehensive assessment reporting evaluation (CARE). Designated staff will use this automated system to collect demographic data, assess functional needs and abilities, health and medical information, determine eligibility for services, develop a care plan, and authorize services for clients on or requesting long-term care services.

Proposal does not change existing rules.

No small business economic impact statement has been prepared under chapter 19.85 RCW. A small business economic impact statement is not required because the rules do not impact small businesses. The rules only affect client eligibility assessments and determination of need for home and community long-term care services.

ASSESSMENT AND SERVICE PLANNING

NEW SECTION

WAC 388-72A-0020 What is an assessment? Assessment is defined in WAC 388-71-0202.

NEW SECTION

WAC 388-72A-0025 What is the process for conducting an assessment? The department staff or designees will:

- (1) Assess your abilities and needs using a departmentprescribed assessment tool, called the comprehensive assessment reporting evaluation (CARE); and
- (2) Perform the assessment based on an in-person interview with you in your own home or other place of residence, which is defined in WAC 388-71-0202. A case manager may request the assessment be conducted in private.

- WAC 388-72A-0030 What is the purpose of an assessment? Department staff or designees will perform an assessment using CARE to:
- (1) Determine eligibility for department-paid home and community programs;
 - (2) Identify your strengths;
 - (3) Evaluate your living situation and environment;
- (4) Evaluate your physical health, functional and cognitive abilities, social resources, income and financial resources, and emotional and social functioning for service planning purposes;
- (5) Identify your values and preferences for effective service planning based on your lifestyle;
- (6) Determine availability of alternative resources including family, neighbors, friends, community programs, volunteers, and other service delivery options that will provide needed assistance;
- (7) Determine risk of and program eligibility for nursing facility placement; and
 - (8) Determine need for case management activities.

NEW SECTION

WAC 388-72A-0035 What are personal care services? Personal care services means physical or verbal assistance with activities of daily living (ADL) and instrumental activities of daily living (IADL). Assistance means verbal or physical assistance with ADL and IADL. Assistance is evaluated with use of assistive devices.

- (a) Bathing, how you take a full-body bath/shower, sponge bath, and transfer in/out of tub/shower;
- (b) Bed mobility, how you move to and from a lying position, turn side to side, and position your body while in bed;
- (c) Body care, how you perform with passive range of motion, applications of dressings and ointments or lotions to the body and pedicure to trim toenails and apply lotion to feet. In adult family homes or in licensed boarding homes contracting with DSHS to provide assisted living services, dressing changes using clean technique and topical ointments must be delegated by a registered nurse in accordance with chapter 246-840 WAC. Body care excludes:
- (i) Foot care for clients who are diabetic or have poor circulation; or
- (ii) Changing bandages or dressings when sterile procedures are required.
- (d) Dressing, how you put on, fasten, and take off all items of street clothing, including donning/removing prosthesis:
- (e) Eating, how you eat and drink, regardless of skill. Eating includes any method of receiving nutrition, e.g., by mouth, tube or through a vein;
- (f) Locomotion in room and immediate living environment, how you move between locations in your room and immediate living environment. If you are in a wheelchair,

locomotion includes how self-sufficient you are once in your wheelchair:

- (g) Locomotion outside of immediate living environment including outdoors, how you move to and return from more distant areas. If you are living in boarding home or nursing facility (NF), this includes areas set aside for dining, activities, etc. If you are living in your own home or in an adult family home, locomotion outside immediate living environment including outdoors includes how you move to and return from a patio or porch, backyard, to the mailbox, to see the next-door neighbor, etc;
- (h) Walk in room, hallway and rest of immediate living environment, how you walk between locations in your room and immediate living environment;
- (i) Medication management, how you self-administer medications prescribed by primary care provider or administer when you are unable;
- (j) Toilet use, how you use the toilet room, commode, bedpan, or urinal, transfer on/off toilet, cleanse, change pad, manage ostomy or catheter, and adjust clothes;
- (k) Transfer, how you move between surfaces, i.e., to/from bed, chair, wheelchair, standing position. Transfer does not include how you move to/from the bath or toilet; and
- (I) Personal hygiene, how you maintain personal hygiene, including combing hair, brushing teeth, applying makeup, washing/drying face hands, menses care, and perineum. This does not include personal hygiene in baths and showers.
- (2) Instrumental activities of daily living (IADL) consist of the following routine activities performed around the home or in the community.
- (a) Meal preparation, how meals are prepared (e.g., planning meals, cooking, assembling ingredients, setting out food, utensils, and cleaning up after meals). NOTE: This task may not be authorized to just plan meals or clean up after meals. You must need assistance with actual meal preparation;
- (b) Ordinary housework, how ordinary work around the house is performed (e.g., doing dishes, dusting, making bed, tidying up, laundry);
- (c) Essential shopping, how shopping is completed to meet your health and nutritional needs (e.g., selecting items). Shopping is limited to brief, occasional trips in the local area to shop for food, medical necessities and household items required specifically for your health, maintenance or wellbeing. This includes shopping with or for you;
- (d) Wood supply, how wood is supplied (e.g., splitting, stacking, or carrying wood) when you use wood as the sole source of fuel for heating and/or cooking;

- (g) Telephone use, how telephone calls are made or received (with assistive devices such as large numbers on telephone, amplification as needed).

WAC 388-72A-0040 What information does the assessor gather? (1) The case manager gathers information from you, your caregivers, family members, and other sources to determine whether you have unmet or partially met needs for assistance with ADL's and IADL's.

- (2) For each ADL, except as otherwise provided for bathing, body care, and medication management, the case manager assesses the level of your ability to self-perform the ADL and the level of support provided by others.
- (a) For each ADL, the case manager measures your level of self-performance by determining what you actually did within the last seven days, not what you might be capable of doing. If you:
- (i) Received no help or oversight, or if you needed help or oversight only once or twice, you are assessed as being independent;
- (ii) Received oversight (monitoring or standby), encouragement, or cueing three or more times, or needed physical assistance in addition to supervision only once or twice, you are assessed as needing supervision;
 - (iii) Were:
 - (A) Highly involved in the activity,
- (B) Given physical help in guided maneuvering of limbs or other nonweight bearing assistance on three or more occasions, or
- (C) Given weight bearing assistance but only one or two times, you are assessed as needing limited assistance.
- (iv) Performed part of the activity, but on three or more occasions, you needed weight bearing support or you received full performance of the activity during part, but not all, of the activity from others, you were assessed as needing extensive assistance;
- (v) Received full caregiver performance of the activity and all subtasks during the entire seven-day period from others, you are assessed as having total dependence. Total dependence means complete nonparticipation by you in all aspects of the ADL; or
- (vi) Or others do not perform an ADL over the last seven days before your assessment, your assessment will indicate that the activity did not occur during the entire seven-day period.
- (b) For each ADL, the case manager also determines the level of support provided, which means the highest level of support provided by others over the last seven days, even if that level of support occurred only once. For each ADL, the assessment will indicate one of the following levels of support provided:
 - (i) No set-up or physical help provided by others;
- (ii) Set-up help only provided, which is the type of help characterized by providing you with articles, devices, or preparation necessary for greater self-performance of the activity (such as giving or holding out an item that you take from others);
 - (iii) One-person physical assist provided;
 - (iv) Two- or more person physical assist provided; or
- (v) Activity did not occur during entire seven-day period.

- (3) The activity of bathing is assessed in the same way as other ADL's under subsection (2) of this section, except you are assessed as needing:
- (a) Limited assistance with bathing if physical help is limited to transfer only.
- (b) Extensive assistance with bathing if you needed physical help with part of the activity (other than transfer).
- (4) The activity of body care is assessed to determine whether you need assistance. You are assessed as needing assistance if you require:
 - (a) Application of ointment or lotions;
 - (b) Trimming of toenails;
 - (c) Dry bandage changes; or
 - (d) Passive range of motion treatment.
- (5) The activity of medication management is assessed to determine whether you need assistance managing your medications. If you:
- (a) Remember to take medications as prescribed and manage your medications without assistance, you are assessed as being independent with medical management.
- (b) Need assistance from a nonlicensed provider to facilitate your self-administration of a prescribed, over the counter, or herbal medication, you are assessed as needing assistance with medication management. Assistance required includes reminding or coaching you, handing you the medication container, opening the container, using an enabler to assist you in getting the medication into your mouth, and placing the medication in your hand. This does not include assistance with intravenous or injectable medications. You must be aware that you are taking medications.
- (c) Are a person with a functional disability who is capable of and who chooses to self-direct your medication assistance/administration, you are assessed as needing self-directed medication assistance/administration.
- (d) Must have medications placed in your mouth or applied to your skin or mucus membrane by a licensed professional or as delegated by a registered nurse (RN) to: a provider who is not a RN or a licensed practical nurse (LPN) in an adult family home or boarding home following nurse delegation protocols in chapter 246-840 WAC, or by a family member or unpaid caregiver, you are assessed as needing medications administered to you. Intravenous or injectable medications must be administered by a licensed health care professional, family member, or unpaid caregiver.
- (6) For each IADL, the case manager assesses the level of your ability to self-perform the IADL and how difficult it is (or would be) for you to perform the activity on your own.
- (a) The case manager measures the level of your ability to self-perform the activity by determining what you actually did within the last thirty days, not what you might be capable of doing. If you:
- (i) Received no help, set-up help, or supervision, you are assessed as being independent;
- (ii) Received set-up help or arrangements only, you are assessed as needing supervision;
- (iii) Sometimes performed the activity yourself and other times needed assistance, you are assessed as needing limited assistance;

- (iv) Were involved in performing the activity, but required cueing/supervision or partial assistance at all times, you are assessed as needing extensive assistance;
- (v) Needed the activity fully performed by others, you are assessed as having total dependence; or
- (vi) Others did not perform the activity within the assessment period, the assessment will indicate that the activity did not occur.
- (b) For each IADL, the case manager determines how difficult it is or would be for you to perform the activity. The assessment will determine whether you have or would have:
 - (i) No difficulty in performing the activity;
- (ii) Some difficulty in performing the activity (e.g., you need some help, are very slow, or fatigue easily); or
- (iii) Great difficulty in performing the activity (e.g., little or no involvement in the activity is possible).

WAC 388-72A-0045 How will the department plan to meet my care needs? Department staff or designees will:

- (1) Authorize services to correspond with your assessed need, per WAC 388-72A-0040;
 - (2) Develop a service plan with you that identifies:
 - (a) Your specific abilities and needs;
- (b) A plan for meeting each need for which you want assistance;
- (c) Ways to meet your needs with the most appropriate services, both formal and informal;
- (d) Who is responsible for carrying out each part of the plan;
 - (e) Anticipated outcomes;
 - (f) Dates and changes to the plan;
- (g) Dates of referral, service initiation, follow-up reviews;
- (h) Those needs that you do not want assistance with at this time; and
- (i) Agreement to the service plan by you or your representative.

CLASSIFICATION FOR IN-HOME AND RESIDENTIAL CARE

NEW SECTION

WAC 388-72A-0070 What are the in-home hours and residential rate based on? The department employs a client classification methodology consisting of twelve care groups. The department uses an automated assessment tool known as the comprehensive assessment reporting evaluation (CARE) tool to assess client characteristics.

NEW SECTION

WAC 388-72A-0075 What does the CARE computerized assessment tool do with the client information entered by department staff? The CARE software program evaluates the information about the client using the following criteria:

- (1) Cognitive performance;
- (2) Clinical complexity, e.g., medical conditions;
- (3) Mood/behaviors; and
- (4) Activities of daily living (ADL).

NEW SECTION

WAC 388-72A-0080 What are the elements that the CARE tool evaluates for each of the criteria in WAC 388-72A-0075? The CARE tool evaluates for:

- (1) Cognitive performance
- (a) Short term memory;
- (b) Self-performance in eating;
- (c) Ability to make self understood;
- (d) Ability to make decisions regarding ADLs; and
- (e) Comatose or in a persistent vegetative state.
- (2) Clinical complexity
- (a) Diagnoses requiring more than average care time and/or special care;
 - (b) Skin problems receiving treatment;
 - (c) Unstable clinical conditions; and
 - (d) Skilled nursing needs.
- (3) Mood/behaviors the assessment data evaluated may include, but is not limited to the following:
 - (a) Assaulting care givers;
 - (b) Resisting care;
 - (c) Wandering; and
 - (d) Depression.
- (4) Activities of daily living (ADLs), the amount of assistance the client needs to perform ADLs.

NEW SECTION

WAC 388-72A-0085 How does the CARE tool evaluate the criteria elements? The CARE tool evaluates the criteria elements for:

(1) Cognitive performance by using the cognitive performance scale (CPS) and assigning a score. The score assigns ranges from zero to six with six being very severely impaired;

- (2) Clinical complexity by determining whether your medical conditions take more or less time and/or require special care:
- (3) Mood/behavior by determining whether your mood/behavior symptoms take more or less time;
- (4) ADLs by scoring the assistance needed to perform ADLs.

PAYMENT METHODOLOGY FOR IN-HOME SERVICES

NEW SECTION

WAC 388-72A-0090 What are the maximum hours that I can receive for in-home services? The maximum hours that you can receive for in-home services is determined through the CARE tool. These hours are based on criteria outlined in WAC 388-72A-0095.

NEW SECTION

WAC 388-72A-0095 How are the number of hours I can receive for in-home services determined? (1) In addition to criteria defined in WAC 388-72A-0075, 388-72A-0080, and 388-72A-0085, CARE will take into account your:

- (a) Assistance available to meet your needs. This is defined as:
 - (i) Met;
 - (ii) Unmet;
 - (iii) Partially met.

NOTE: Home and community programs (HCP) services may not replace other available resources the department identified when completing CARE. The hours will be adjusted to account for tasks that are either fully or partially met by other available resources. These resources may be unpaid or paid for by other state or community sources.

- (b) Environment, such as whether you:
- (i) Have laundry facilities out of home; and/or
- (ii) Use wood as a primary source of heat and/or;
- (iii) The time it takes to access essential shopping services.
- (c) Living arrangement. The department will adjust payments to a personal care provider who is doing household tasks at the same time (e.g., essential shopping, meal preparation, laundry, and wood supply) if:
- (i) There is more than one client living in the same household; or
- (ii) You and your paid provider live in the same household.
- (2) The CARE tool will provide a maximum number of hours that can be used to develop your care plan. The assessor must take into account cost effectiveness, client health and safety, and program limits in determining how hours can be used to meet identified client needs.
- (3) Within the limits of subsection (2) of this section, you and your case manager will work to determine what services you choose to receive if you are eligible, per WAC 388-72A-0055, 388-72A-0060, 388-72A-0065, 388-15-652 or 388-15-653. The hours may be used to authorize:

- (a) Personal care services;
- (b) Home delivered meals;
- (c) Adult day care;
- (d) Adult day health;
- (c) A home health aide.

WAC 388-72A-0100 Are there other in-home services I may be eligible to receive in addition to those described in WAC 388-72A-0095(3)? Yes. If you meet the eligibility criteria outlined in WAC 388-71-0415 and 388-72A-0055 you may also receive the following services:

- (1) Environmental modifications;
- (2) Personal response system (PERS);
- (3) Skilled nursing;
- (4) Specialized medical equipment;
- (5) Training; or
- (6) Transportation services.

NEW SECTION

WAC 388-72A-0105 What would cause a change in the maximum hours authorized? Hours you are eligible to receive may be adjusted if you have had a change in any criteria listed in WAC 388-72A-0095.

HOME AND COMMUNITY PAYMENT RATES

NEW SECTION

WAC 388-72A-0110 How much will the department pay for my care? The department publishes rates and/or adopts rules to establish how much the department pays toward the cost of your care in a residential care facility or for in-home services.

AMENDATORY SECTION (Amending WSR 00-07-038, filed 3/16/00 [3/6/00])

WAC 260-34-090 A positive test. A drug test shall be positive when the presence of a controlled substance is confirmed by two independent tests performed on the same sample supplied by a licensee, employee, or applicant. The tests used will be the E.M.I.T. screen test, followed by a gas chromatography/mass spectrometry confirmatory test, or other tests which the scientific community recognizes are equally or more accurate and reliable. If marijuana or its derivatives, salts, isomers, or salts of isomers are detected in a drug test, such a result will not be reported positive unless found at levels of at least ((one hundred)) fifty nanograms per milliliter.

A positive drug test shall be reported by the laboratory to the presiding steward at the track. On receiving written notice from the laboratory that a specimen has been found positive for a controlled substance, the presiding steward shall initiate the following procedure:

- (1) Written notice shall be given to the licensee, employee or applicant, setting a hearing by the board of stewards in accordance with WAC 260-24-440 within the next two racing days or seven calendar days, whichever is less, after service of the notice. The hearing may be held within a shorter or longer period of time if the licensee, employee, or applicant named and the board of stewards agree. Service shall be to the licensee, employee, or applicant personally, by leaving the notice at the person's residence with someone of reasonable age and discretion residing therein, or by mail to the person's last known address. If by mail, service shall be deemed completed on the third day after mailing.
- (2) The hearing shall be conducted before the board of stewards pursuant to WAC 260-24-440. At the hearing, the licensee, employee, or applicant shall be provided an opportunity to explain the positive test.
- (3) The board of stewards' hearing shall be closed and the facts therein will be kept confidential unless for use with respect to any stewards ruling, order by the horse racing commission or judicial hearing with regard to such facts. Closure of the hearing and confidentiality of the proceedings may be waived by the licensee, employee, or applicant. The board may issue a public ruling which complies with the confidentiality requirements of this section and WAC 260-34-100.
- (4) Lacking a satisfactory explanation and documentation or upon the licensee, employee, or applicant agreeing with the test results, the board of stewards shall suspend the licensee, employee, or applicant until:

- (a) A negative test can be submitted by that licensee, employee, or applicant and the results reviewed by the board of stewards; and
- (b) The licensee, employee, or applicant is referred to an approved agency for a drug evaluation interview and completes the evaluation.
- (i) If the evaluation concludes that the licensee, employee, or applicant is not addicted or habituated, and if the board of stewards determines that the licensee's, employee's, or applicant's condition is not detrimental to the best interests of racing, the licensee, employee, or applicant shall be allowed to participate in racing provided he or she agrees that further testing may be done as described in WAC 260-34-030.
- (ii) If such drug evaluation concludes that the licensee, employee, or applicant is addicted or habituated, or the board of stewards determines that the licensee's, employee's, or applicant's condition is detrimental to the best interests of racing, the licensee, employee, or applicant shall not be allowed to participate in racing until such time as he or she can produce a negative test result and show official documentation that he or she has successfully completed a certified drug rehabilitation program approved by the board of stewards, in consultation with the executive secretary of the horse racing commission. The licensee, employee, or applicant must agree to further testing as described in WAC 260-34-030.
- (5) For a second positive drug test in the calendar year, the licensee, employee, or applicant shall be suspended for the balance of the calendar year or one hundred twenty days, whichever is greater, and the person is required to complete a certified drug rehabilitation program approved by the board of stewards in consultation with the executive secretary of the horse racing commission before applying for a reinstatement of license. The licensee, employee, or applicant must agree to further testing as described in WAC 260-34-030.
- (6) When any licensee, employee, or applicant has a history of more than two violations of WAC 260-34-020 or positive drug tests, the horse racing commission may, pursuant to a hearing conducted under chapter 260-08 WAC, declare such person detrimental to the best interests of racing and revoke that person's license or application. Reapplication shall not be permitted for such period of months or years as the commission determines is necessary to ensure the person's freedom from use of controlled substances and not until meeting the requirements of subsection (5) of this section.

WSR 03-02-023 PROPOSED RULES UNIVERSITY OF WASHINGTON

[Filed December 23, 2002, 9:40 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-22-036.

Title of Rule: WAC 478-132-030 University calendar.

Purpose: To amend the academic calendar for the University of Washington, specifically with regard to the beginning and ending dates for autumn quarter and the beginning date for winter quarter.

Other Identifying Information: These proposed rules would take effect in autumn quarter 2004.

Statutory Authority for Adoption: RCW 28B.20.130. Statute Being Implemented: RCW 28B.20.130.

Summary: The University of Washington proposes changing the autumn quarter calendar to provide time at the beginning of autumn quarter for new student orientation and additional time for grading and other end-of-quarter activities prior to the winter holidays. Additionally, the university proposes modifying the beginning of winter quarter to allow at least one day between January 1 and the first day of the quarter

Name of Agency Personnel Responsible for Drafting and Enforcement: W. W. (Tim) Washburn, Assistant Vice-President, Enrollment Services, 328 Schmitz Hall, University of Washington, Seattle, WA, (206) 543-3511; and Implementation: Ernest R. Morris, Vice-President for Student Affairs, 476 Schmitz Hall, University of Washington, Seattle, WA, (206) 543-4024.

Name of Proponent: University of Washington, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: Amending WAC 478-132-030 University calendar, would allow greater participation in new student orientation programs at the beginning of autumn quarter and provide greater flexibility in meeting academic procedures at the end of autumn quarter and the beginning of winter quarter while accommodating holidays during the winter break.

Although the amendments to the university calendar will not be effective until autumn quarter 2004, adoption of this amendment is sought now to provide adequate long-range planning time for the University of Washington's academic and administrative programs. There is no fiscal effect anticipated with this change to the academic calendar, as the number of days within each academic quarter remain the same.

Proposal Changes the Following Existing Rules: WAC 478-132-030 University calendar, would be amended.

WSR 03-02-030 PROPOSED RULES DEPARTMENT OF FISH AND WILDLIFE

[Filed December 23, 2002, 11:35 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-22-098.

Title of Rule: Commercial fishing rules.

Purpose: Amend coastal shrimp trawl rule.

Statutory Authority for Adoption: RCW 77.12.047.

Statute Being Implemented: RCW 77.12.047.

Summary: Amends coastal shrimp trawl rule to include description of legal fin fish excluder devices.

Reasons Supporting Proposal: Provides shrimp trawlers advance notice and some certainty as to the types of excluder devices that are legal when devices are required.

Name of Agency Personnel Responsible for Drafting: Evan Jacoby, 1111 Washington Street, Olympia, 902-2930; Implementation: Lew Atkins, 1111 Washington Street, Olympia, 902-2651; and Enforcement: Bruce Bjork, 1111 Washington Street, Olympia, 902-2373.

Name of Proponent: Department of Fish and Wildlife, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: The coastal ocean pink shrimp trawl fishery has bycatch of rockfish. One of the species encountered: Canary rockfish has been determined to be overfished under the terms of the Sustainable Fisheries Act enacted by congress in 1996 and the accompanying National Standard Guidelines adopted by the National Marine Fisheries Service. Canary rockfish have routinely been harvested in the coast-wide pink shrimp fishery as incidental catch. The total allowable canary rockfish catch for the coast-wide pink shrimp fishery is 5.5 metric tons, which is less than half of the recent average catch. The three coastal states of Washington, Oregon and California have committed to reduce the incidental take of canary rockfish in state managed coastal pink shrimp fisheries to not exceed the total allowable catch. This reduction in incidental harvest can be accomplished with excluder devices, which allow fin fish to escape. The requirement to use excluders, by agreement of the three coastal states, will be mandatory. This is intended to ensure that the coastal pink shrimp fishery remains open for the duration of its scheduled season while at the same time canary rockfish are afforded protection.

Proposal Changes the Following Existing Rules: Adds the requirement to use fin fish excluders and provides the legal definition of the excluder device designs to coastal shrimp trawl.

A small business economic impact statement has been prepared under chapter 19.85 RCW.

Small Business Economic Impact Statement

- 1. Description of the Reporting, Record-keeping, and Other Compliance Requirements of the Proposed Rule: There is no reporting or record-keeping requirement. The compliance requirement is installation of the excluder device.
- 2. Kinds of Professional Services That a Small Business is Likely to Need in Order to Comply with Such Requirements: Depending on the expertise of the fisher, it may or may not require a net rigger to install the excluder device.
- 3. Costs of Compliance for Businesses, Including Costs of Equipment, Supplies, Labor, and Increased Administrative Costs: The Soft Panel device costs approximately \$750 per net. The Nordmore grate costs approximately \$500 per net.
- 4. Will Compliance with the Rule Cause Businesses to Lose Sales or Revenue? As an alternative to closing the fishery, no. However, the catch per unit effort difference depends on the device. The Soft Panel has a shrimp escape rate of 5 to 30%. The Nordmore grate can actually increase the shrimp retention rate. During use of the device, the fisher may lose the 2 to 3% exvessel landed value of incidentally taken rockfish.
- 5. Cost of Compliance for the 10% of Businesses That are the Largest Businesses Required to Comply with the Pro-

posed Rules Using One or More of the Following as a Basis for Comparing Costs:

- a. Cost per employee;
- b. Cost per hour of labor; or
- c. Cost per one hundred dollars of sales.

At three persons per vessel and using double net rigging, the one-time installation costs are:

Soft Panel - \$500/employee Nordmore - \$333/employee

The landings are controlled by the amount of time a fisher can remain at sea with fresh shrimp. Accordingly, they cannot offset the loss by fishing longer. Although the shrimp loss varies from 5 to 30% for the Soft Panel devices per individual trip, this can be offset by additional trips. Using a 10% loss as an average for this [these] two devices, the loss would average 2,000 to 3,000 pounds per trip, which, at \$.30/pound, is a loss of \$200 to \$300 per employee per landing.

- 6. Steps Taken by the Agency to Reduce the Costs of the Rule on Small Businesses or Reasonable Justification for Not Doing So: Allowing the industry to select the device they wish to install.
- 7. A Description of How the Agency Will Involve Small Businesses in the Development of the Rule: This rule was developed with industry participation to allow the fishery to continue. Fishers will have the opportunity to comment on the rule proposal at the Fish and Wildlife Commission public hearing.
- 8. A List of Industries That Will Be Required to Comply with the Rule: Coastal shrimp trawlers.

A copy of the statement may be obtained by writing to Evan Jacoby, 600 Capitol Way North, Olympia, WA 98501-1091, phone (360) 902-2930, fax (360) 902-2155.

RCW 34.05.328 does not apply to this rule adoption. These are not hydraulic rules.

Hearing Location: Cowlitz County P.U.D., 961 12th Avenue, Longview, WA 98632, on February 7-8, 2003, at 8:00 a.m.

Assistance for Persons with Disabilities: Contact Susan Yeager by January 24, 2003, TDD (360) 902-2207 or (360) 902-2267.

Submit Written Comments to: Evan Jacoby, 600 Capitol Way North, Olympia, WA 98501-1091, fax (360) 902-2155, by January 31, 2003.

Date of Intended Adoption: February 7, 2003.

December 20, 2002 Evan Jacoby Rules Coordinator

AMENDATORY SECTION (Amending Order 00-165, filed 8/22/00, effective 9/22/00)

WAC 220-52-050 Ocean pink shrimp trawl fishery—Coastal waters. It is unlawful to fish for, possess or deliver ocean pink shrimp taken for commercial purposes from the waters of the Exclusive Economic Zone except as provided for in this section:

- (1) Ocean pink shrimp fishery:
- (a) The open season for trawl gear is April 1 through October 31 of each year.

- (b) The following gear is prohibited: Trawl gear having a net mesh size greater than two inches in the intermediate or codend, except for net mesh used in fish excluder devices. It is lawful to have net mesh larger than two inches in the wings or body of the trawl.
- (c) It is unlawful to fish with trawl gear for pink shrimp for commercial purposes unless an approved by-catch reduction device is used in each net. Approved by-catch reductions devices are:
- (i) Soft Panel By-catch Reduction Device which uses a mesh panel to guide fish out of an escape hole. An approved soft-panel must meet the following criteria:
- (A) The panel must completely cover some portion of the net in cross-section, meaning it must extend completely across the full opening of the net in one continuous piece. The panel must be securely fastened to the net around the entire perimeter, such that a 110 mm diameter sphere cannot pass beyond the panel into the terminal end of the codend;
- (B) The panel meshes must be constructed of netting material with individual meshes no larger than 5.5 inches, measured between opposing knots and must be constructed of a single panel of continuous netting, without zippers or other devices designed to allow disabling of the panel such that large fish can pass back into the codend;
- (C) The escape hole must, when spread open, expose a hole of at least 100 square inches;
- (D) The escape hole must be forward of the mesh panel and must begin within four meshes of the furthest aft point of attachment of the mesh panel to the net;
- (ii) Nordmore Grate By-catch Reduction Device uses a rigid panel of narrowly spaced vertical bars to guide fish out of an escape hole in front of the panel, generally in the top of the net. An approved Nordmore grate must meet the following criteria:
- (A) The exterior circumference of the rigid panel must fit completely within the interior circumference of the trawl net, such that there is no space between the panel and the net that will allow a 110 mm sphere to pass beyond the panel, into the terminal area of the codend;
- (B) None of the openings between the vertical bars in the rigid panel may exceed two inches in width;
- (C) The escape hole must, when spread open, expose a hole of at least 100 square inches;
- (D) The escape hole must be forward of the rigid panel and must begin within four meshes of the furthest aft point of attachment of the rigid panel to the net.

AMENDATORY SECTION (Amending Order 01-32, filed 3/13/01, effective 4/13/01)

WAC 220-47-301 Puget Sound—Lawful gear—Purse seine. (1) Lawful purse seine salmon nets in Puget Sound shall not exceed 1,800 feet in length along the cork line while wet and purse seine and lead combined shall not exceed 2,200 feet. Neither shall contain meshes of a size less than ((4)) 3-1/2 inches, nor shall the meshes of the seine and lead be lashed together to form one continuous piece of webbed gear. It shall be lawful as part of the purse seine to have a bunt not more than 10 fathoms long which may contain mesh of a size not less than 3-1/2 inches.

- (2) It shall be unlawful to take or fish for salmon with purse seine gear in Puget Sound which contains mesh webbing constructed of a twine size smaller than 210/30d nylon, 12 thread cotton or the equivalent diameter in any other material.
- (3) It shall be unlawful for any purse seine vessel to carry an extra lead or portion thereof unless stowed below decks during the fishing operation, nor may an extra lead or portion thereof be carried aboard its skiff.
- (4) Purse seine mesh size shall be defined as the distance between the inside of one knot to the outside of the opposite vertical knot of one mesh. Minimum mesh size is met if a wedge of legal size can be passed without undue force through the mesh while wet.
- (5) A purse seine will not be considered to be fishing once both ends of the seine are attached to the primary vessel.
- (6) It shall be unlawful to take or fish for salmon with purse seine gear in Puget Sound unless at least four sections, each measuring no less than 12 inches in length, along the corkline in the bunt and within 75 fathoms of the bunt have no corks or floats attached. WSR 03-02-032 PROPOSED RULES DEPARTMENT OF FISH AND WILDLIFE

[Filed December 23, 2002, 11:39 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-10-094.

Title of Rule: Commercial fishing rules.
Purpose: Amend sale of salmon eggs rule.
Statutory Authority for Adoption: PCW 77

Statutory Authority for Adoption: RCW 77.12.047. Statute Being Implemented: RCW 77.12.047.

Summary: Extend prohibition on sale of salmon eggs without the carcass being present to species other than chum salmon.

Reasons Supporting Proposal: Better catch accounting. Name of Agency Personnel Responsible for Drafting: Evan Jacoby, 1111 Washington Street, Olympia, 902-2930; Implementation: Lew Atkins, 1111 Washington Street, Olympia, 902-2651; and Enforcement: Bruce Bjork, 1111 Washington Street, Olympia, 902-2373.

Name of Proponent: Department of Fish and Wildlife, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: Catch data accounting requires knowledge of the actual number of fish removed from the resource. Although some fall salmon stocks have little carcass value, the eggs are a valuable commodity. The practice of selling the eggs alone does not provide sufficient information on the numbers of salmon that were harvested to take the eggs. Requiring the presence of the salmon carcasses allows a tally on the actual number of salmon taken. Currently this rule applies to chum salmon, and may be applicable to additional species.

Proposal Changes the Following Existing Rules: Extend salmon eggs sales rule to species other than chum.

A small business economic impact statement has been prepared under chapter 19.85 RCW.

Small Business Economic Impact Statement

- 1. Description of the Reporting, Record-keeping, and Other Compliance Requirements of the Proposed Rule: There is no reporting or record-keeping requirement. Compliance is delivery of the salmon carcasses with the eggs.
- 2. Kinds of Professional Services That a Small Business is Likely to Need in Order to Comply with Such Requirements: None.
- 3. Costs of Compliance for Businesses, Including Costs of Equipment, Supplies, Labor, and Increased Administrative Costs: Fishers will be required to haul the salmon carcasses to the buying station for an accurate count of the salmon harvested.
- 4. Will Compliance with the Rule Cause Businesses to Lose Sales or Revenue? No.
- 5. Cost of Compliance for the 10% of Businesses That are the Largest Businesses Required to Comply with the Proposed Rules Using One or More of the Following as a Basis for Comparing Costs:
 - a. Cost per employee;
 - b. Cost per hour of labor; or
 - c. Cost per one hundred dollars of sales.

If there is a market for the carcasses, the delivery will actually increase revenue. If there is no market, there may be a disposal cost (although the most obvious disposal, at-sea discarding, has minimal costs).

6. Steps Taken by the Agency to Reduce the Costs of the Rule on Small Businesses or Reasonable Justification for Not Doing So: This rule is necessary only where there is minimal carcass value. The department is working with fishers who sell both the carcasses and the eggs, but to different buyers.

Proposed [30]

- 7. A Description of How the Agency Will Involve Small Businesses in the Development of the Rule: This rule is being developed with industry.
- 8. A List of Industries That Will Be Required to Comply with the Rule: Salmon fishers.

AMENDATORY SECTION (Amending Order 01-32, filed 3/13/01, effective 4/13/01)

WAC 220-20-016 Sale and purchase of commercial caught salmon. (1) It is unlawful for any person licensed to take salmon for commercial purposes as required under chapter 77.65 RCW to:

- (a) Retain for personal use more than the equivalent of one daily sport bag limit for the area being fished. All salmon taken under commercial license must be recorded on state of Washington fish receiving tickets. The daily limit and possession limit described in this subsection also apply to crew members of the licensed fishing vessel.
- (b) Sell any salmon he takes under such license to anyone other than a licensed wholesale dealer located within or outside the state of Washington: Provided, That a person who is himself licensed as a wholesale dealer under the provisions of RCW 77.65.280 may sell his catch to individuals or corporations other than licensed wholesale dealers.
- (c) Sell, barter or attempt to sell or barter ((ehum)) salmon eggs that have been removed from the body cavity of ((ehum)) salmon unless all carcasses from which eggs have been removed are sold to the same buyer.
- (d) Discard ((ehum)) salmon that may be lawfully retained except fishers may discard salmon that are unmarketable due to seal predation.
- (2) It is unlawful for any person licensed as a wholesale dealer as required under RCW 77.65.280 and acting in the capacity as an original receiver to purchase or attempt to purchase ((ehum)) salmon eggs without also purchasing all male and female ((ehum)) salmon taken by the fisher, including the salmon carcasses from which the eggs were removed.

WSR 03-02-033 PROPOSED RULES DEPARTMENT OF ECOLOGY

[Order 02-11—Filed December 23, 2002, 12:28 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-18-095.

Title of Rule: Chapter 173-170 WAC, Agricultural water supply facilities, this rule sets procedures for issuance of grants and loans to public entities for planning and projects related to agricultural water supply systems.

Purpose: This rule revision is necessary to make good use of the remaining moneys and achieve water savings benefiting the state's public waters by: (1) Raising the limit of project funding from 1.5 million to 2.5 million; (2) exempting loans from the project funding limit once they are fully repaid; (3) allowing projects with significant public benefit to receive a larger portion of funding in grants (replacing loans); (4) restricting funding of emergency projects to loans; (5) allowing funding to be provided to YRBWEP projects as moneys are available; (6) exempting funding of YRBWEP projects from the limit set on project funding; and (7) setting loan interest rates at the beginning of the state fiscal year for loans issued that fiscal year.

Statutory Authority for Adoption: The rule is based on Referendum 38 codified as chapter 43.99E RCW. Further ability to adopt and change regulations of this class is included in RCW 90.54.040.

Statute Being Implemented: Chapter 43.99E RCW.

Summary: The rule revision: (1) Raises the limit on funding that individual public entities are eligible to obtain; (2) exempts repaid loans from the cap on funding; (3) adds provisions for funding of proposals within the Yakima River Basin Water Enhancement Project (YRBWEP); and (4) provides additional incentives to secure water savings that will benefit the state's public waters.

Reasons Supporting Proposal: Of the original \$50 million, there is approximately \$23 million remaining in the Referendum 38 authorization. These funds were authorized in 1980 but have not all been spent, in part due to outdated limitations in the rule. Water supply problems, coupled with concerns for endangered species and clean water, have added some urgency to improving agricultural water supply facilities. Changes in the rule would allow greater flexibility in putting these moneys to work to fund irrigation-related water availability and conservation plans, studies, and projects. In addition, the decision to amend the rule to lift the funding cap was part of an agreement to provide funding for the ground water study in the Yakima River basin.

Name of Agency Personnel Responsible for Drafting: Rebecca Inman, 300 Desmond Drive, Lacey, WA, (360) 407-7207; Implementation and Enforcement: Ray Newkirk, 300 Desmond Drive, Lacey, WA, (360) 407-6630.

Name of Proponent: Department of Ecology, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: The agricultural water supply facilities rule, chapter

173-170 WAC, provides procedures for the issuance of grants and loans to public entities for planning and projects related to agricultural water supply systems. Funds are issued from the Referendum 38 Fund, established in 1980. Providing funding for planning and system improvements and repairs is intended to promote water conservation, resulting in increased benefits to instream and out-of-stream uses.

Proposal Changes the Following Existing Rules: The rule revision: (1) Raises the limit of project funding from 1.5 million to 2.5 million per applicant; (2) designates loans as exempt from the project funding limit once they are fully repaid; (3) allows funding of projects with significant public benefit to receive a larger portion of funding in grants (replacing loans); (4) restricts funding of emergency projects to loans; (5) allows funding of YRBWEP projects as moneys are available; and (6) designates that funding of YRBWEP projects is exempt from the limit set on project funding.

No small business economic impact statement has been prepared under chapter 19.85 RCW. A small business economic impact statement was not prepared because this rule revision does not relate to small businesses. All moneys distributed via this rule are distributed in grants or loans to public entities.

RCW 34.05.328 does not apply to this rule adoption. RCW 34.05.328 does not apply to this rule revision as the rule is strictly procedural in nature and so relating only to internal government operations which are not subject to violation by a nongovernment party.

WSR 03-02-037 PROPOSED RULES DEPARTMENT OF FISH AND WILDLIFE

[Filed December 23, 2002, 4:11 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-22-104.

Title of Rule: Commercial fishing rules.

Purpose: Amend shrimp district and logbook requirement rules.

Statutory Authority for Adoption: RCW 77.12.047.

Statute Being Implemented: RCW 77.12.047.

Summary: State-tribal allocation of the available shrimp resource requires more precise management. By establishing new subdistricts, the shrimp resource can be fully utilized while providing brood stock protection and reducing gear conflicts.

Reasons Supporting Proposal: Better shrimp management.

Name of Agency Personnel Responsible for Drafting: Evan Jacoby, 1111 Washington Street, Olympia, 902-2930; Implementation: Lew Atkins, 1111 Washington Street, Olympia, 902-2651; and Enforcement: Bruce Bjork, 1111 Washington Street, Olympia, 902-2373.

Name of Proponent: Department of Fish and Wildlife, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: For the last several years shrimp management has been refined by establishing subdistricts on an emergency basis, and opening and closing the subdistricts as the allocation of shrimp was taken. This rule makes these subdistricts by permanent rule, and requires shrimp logbooks and wholesale dealer fishing receiving tickets to contain information by subdistrict. This allows for better management of the shrimp resource, allows for allocation between nontribal and tribal fishers, and avoids gear conflicts.

Proposal Changes the Following Existing Rules: Amend shrimp district and log book rules.

A small business economic impact statement has been prepared under chapter 19.85 RCW.

Small Business Economic Impact Statement

- 1. Description of the Reporting, Record-keeping, and Other Compliance Requirements of the Proposed Rule: Fishers will be required to enter specific new data in their log books and shrimp buyers will be required to enter the shrimp submanagement unit codes on the shellfish receiving tickets and report catches in a rapid manner with specific data requirements.
- 2. Kinds of Professional Services That a Small Business is Likely to Need in Order to Comply with Such Requirements: None required.
- 3. Costs of Compliance for Businesses, Including Costs of Equipment, Supplies, Labor, and Increased Administrative Costs: Costs associated with the implementation of these [this] regulation should be de minimus as these requirements have been required by emergency rule in recent years.
- 4. Will Compliance with the Rule Cause Businesses to Lose Sales or Revenue? No, the one rule change that effects the shrimp trawl fishery will be compensated by a more flexible closure period to protect soft shell crab, the result is no loss of available quota.
- 5. Cost of Compliance for the 10% of Businesses That are the Largest Businesses Required to Comply with the Proposed Rules Using One or More of the Following as a Basis for Comparing Costs:
 - a. Cost per employee;
 - b. Cost per hour of labor; or
 - c. Cost per one hundred dollars of sales.

There is no cost.

- 6. Steps Taken by the Agency to Reduce the Costs of the Rule on Small Businesses or Reasonable Justification for Not Doing So: There is no cost.
- 7. A Description of How the Agency Will Involve Small Businesses in the Development of the Rule: The agency will bring these proposals before the Fish and Wildlife Commission for their consideration in a public process.
- 8. A List of Industries That Will Be Required to Comply with the Rule: Puget Sound limited entry shrimp fishers and the wholesale purchasers of the catch.

AMENDATORY SECTION (Amending Order 00-267, filed 12/29/00, effective 1/29/01)

WAC 220-52-075 Shellfish harvest logs. It is unlawful for any vessel operator engaged in commercial crawfish, sea

- cucumber, sea urchin, scallop, shrimp other than ocean pink shrimp, squid, or sand shrimp fishing or operator of mechanical clam digging device to fail to obtain and accurately maintain the appropriate harvest log available from the Washington department of fish and wildlife. The harvest log must be kept aboard the vessel while the vessel is engaged in harvest or has crawfish, sea cucumbers, sea urchins, shrimp other than ocean pink shrimp, squid, scallops, clams, or sand shrimp aboard. The vessel operator must submit the harvest logs for inspection upon request by authorized department of fish and wildlife representatives. The department's copies of the completed harvest log must be submitted to the department for each calendar month in which fishing activity occurs. State copies must be received within ten days following any calendar month in which fishing activity occurred, except that commercial sea cucumber harvest logs must be received for each month of the season provided for in WAC 220-52-072 regardless of whether harvest activity occurred during the month, and all shellfish harvesters must submit a log that must be received by the tenth day following the termination of commercial fishing activity showing that shellfish harvest has terminated for the year.
- (1) Vessel operators engaged in commercial harvest of shrimp other than Puget Sound shrimp or sand shrimp or crawfish with shellfish pot or ring net gear must record the vessel Washington department of fish and wildlife boat registration number, number of pots or ring nets pulled, date pulled, soak time, and gear location before leaving the catch area where taken, and weights must be recorded upon landing or sale.
- (2) Vessel operators engaged in commercial harvest of shrimp other than ocean pink shrimp with beam trawl or shrimp trawl gear must record the vessel identity, date, location fished, trawl width, Marine Fish-Shellfish Management and Catch Reporting Area, depth fished, latitude and longitude to the nearest ((tenth)) hundredth of a minute ((or to the nearest second)) at the beginning ((and end)) of each tow, tow speed, duration of tow and estimated weight of shrimp of each species caught for each tow before leaving the site where the catch was taken or before commencing a new tow, whichever occurs first.

It shall be unlawful to fail to permanently record this information into the department-supplied harvest log before leaving each catch site. Harvest logs must be maintained and submitted in ascending consecutive order of harvest log serial numbers. Harvest logs must be submitted for each month in which fishing activity occurs and must be received by the department within ten days following any month in which fishing occurs. The fish receiving ticket serial number must be recorded onto the harvest log at the time of sale, or before leaving the last catch site of the day if the vessel operator holds a wholesale dealer license and is the original receiver of the catch.

(3) Vessel operators engaged in commercial harvest of sea urchins or sea cucumbers must record the vessel identity, date, location fished, depth fished, latitude and longitude to the nearest tenth of a minute or to the nearest second, and the approximate number of sea urchins or sea cucumbers taken before leaving the site where taken and the exact weight must be recorded upon landing or sale.

- (4) Vessel operators engaged in commercial harvest of clams with mechanical digging devices must record the vessel identity, location, and date of harvest before the end of each day's fishing and the weights by clam species must be recorded upon landing or sale.
- (5) Vessel operators engaged in commercial harvest of scallops must record the vessel identity, date, location, and duration of harvest and estimated weight of scallops caught for each tow or dive hour before leaving the catch area where taken.
- (6) Vessel operators engaged in commercial harvest of squid, except when taken incidental to any other lawful fishery, must record before leaving the Marine Fish-Shellfish Management and Catch Reporting Area where taken, the vessel department of fish and wildlife boat registration number, gear type, catch area, starting and ending time of fishing, and numbers of other species caught and returned. Weights of squid must be recorded on landing or sale.
- (7) Vessel operators engaged in commercial harvest of sand shrimp, except when taken incidental to any other lawful fishery, must record the location or identification number of the harvest tract, date of harvest, number of trenches pumped, average length and width of trenches (yards), total number of sand shrimp retained (dozens), total number of sand shrimp sold (dozens), and the name of the sand shrimp buyer.
- (8) Vessel operators engaged in commercial harvest of shrimp (other than sand shrimp) using shellfish pot gear in Puget Sound must record the vessel's Washington department of fish and wildlife boat registration number, date, number of pots pulled, pot mesh size, depth fished, soak time, gear location (including latitude and longitude to the nearest ((tenth)) hundredth of a minute), species targeted, and weight(s) of catch before leaving the site where catch is taken. A separate weight for each species caught and retained must be recorded. When single pots are fished an entry is required for each pot site. When two or more pots are fished on a common ground line the catch site must be recorded at the location of the last pot on the ground line that is pulled. It shall be unlawful to fail to permanently record this information into the department-supplied harvest log before leaving each catch site. Harvest logs must be maintained and submitted in ascending consecutive order of harvest log serial numbers. Harvest logs must be submitted for each month in which fishing activity occurs and must be received by the department within ten days following any month in which fishing occurs. The fish receiving ticket serial number must be recorded onto the harvest log at the time of sale, or before leaving the last catch site of the day if the vessel operator holds a wholesale dealer license and is the original receiver of the catch. Vessel operators engaged in commercial harvest of shrimp from Puget Sound with shellfish pot gear must report their daily catch by telephone before leaving the last catch site fished each day. For harvest in Crustacean Management Regions 1A, 1B, 1C, or 2, reports must be made to the voice recorder at the La Conner district office. For harvest in Crustacean Management Regions 3, 4, or 6, reports must be made to the voice recorder at the Point Whitney shellfish laboratory. All reports must specify the fisher's name, estimated total number of pounds of each shrimp species in possession, number

of pots fished, number of pot pulls (pots multiplied by pulls), the Marine Fish-Shellfish Management and Catch Reporting Area where shrimp were harvested, and the port or name of vessel where the catch will be landed or sold. The fish receiving ticket reporting requirements of WAC 220-69-240 remain in effect.

NEW SECTION

WAC 415-02-310 How does the department use my age in calculating benefits? This section provides an overview of the several different ways in which the department uses age in calculating benefits. The department may use your age to determine your retirement date, early retirement factors to apply, survivor factors, or cost of living adjustment factors.

(1) **Present value:** The department uses a rounding method to determine your age when calculating what your future lifetime monthly benefit is worth in present-day dollars. If the number of months in your age is under six months, the department will round down. If the number is six months or more, the department will round up. See WAC 415-02-340 for more information about the present value calculations.

Example 1:

At the time that the department is calculating Sharon's age in making a present value calculation, Sharon is 55 years, 5 months and 26 days old. The department will round down and use 55 as Sharon's age.

Example 2:

At the time that the department is calculating Donna's age in making a present value calculation, Donna is 54 years and 7 months old. The department will round up and use 55 as Donna's age.

- (2) Early retirement: The department uses the difference between your "fully eligible retirement date" and your actual retirement date in calculating any actuarial reductions to your benefits. See WAC 415-02-320 for more information about early retirement.
- (a) Step 1: Determine the fully eligible retirement date.
- (i) The department first calculates the date on which you would have been fully eligible to retire.
- (ii) All plans (except for LEOFF Plan 1, TRS Plan 1, WSPRS Plans 1 and 2, JRF and JRS): You can retire the first day of the month following your meeting the age requirement for retirement if you are otherwise eligible.

Example: Jake was born on May 12, 1934. On May 12, 1999, Jake reaches age 65 and has met the age requirement for retirement. Provided that he is otherwise eligible, Jake's retirement date is June 1, 1999.

(iii) LEOFF Plan 1, TRS Plan 1, WSPRS Plans 1 and 2, JRF, and JRS: If a retirement date other than the first of the month is allowed, you can retire on the day you meet the

age requirement, or the following day (depending on the plan).

Example: If Jake is a member of this type of plan, he could retire May 12th or 13th, 1999 (his birth-

day or the day after his birthday).

(b) Step 2: Determine the difference. The department next calculates the difference between your fully eligible retirement date and your actual retirement date by subtracting the actual retirement year and month from the fully eligible retirement year and month. (Days are not used in the calculation.)

(i) Example:

Fully eligible date: 06/01/99 Minus actual retirement date: 08/01/95

Difference: 3 years, 10 months

(ii) Example:

Fully eligible date: 05/25/99
Minus actual retirement date: 08/01/95

Difference: 3 years, 9 months

- (c) Step 3: Determine the early retirement factor. The department uses the difference calculated in step 2 to determine the early retirement factor (ERF) used to calculate your benefit as described in WAC 415-02-320.
- (3) Optional COLA Factor for PERS Plan 1 and TRS Plan 1. The department uses the rounding method described in the "present value" subsection in this section to calculate your age when determining the optional COLA factor. See WAC 415-02-360 for a description of the optional COLA factor calculation.
- (4) Calculating age to use in determining the survivor option factor. At retirement, if you select a survivor option, the department must calculate the difference between your age and your beneficiary's age. See WAC 415-02-380 for more information about survivor options.
- (a) **Step 1:** The department calculates your age and your beneficiary's age at the time of your retirement.
- (b) **Step 2:** The department rounds the ages, using the same method described in the "present value" subsection in this section.
- (c) **Step 3:** The department subtracts your beneficiary's age from your age.

Example:

Member's age: 60
Minus beneficiary's age: 49

Result: The department will use the survivor option factor for a beneficiary who is 11 years younger than the member.

Example:

Member's age: 65
Minus beneficiary's age: 67
-2

Proposed [44]

Result: The department will use the survivor option factor for a beneficiary who is two years older than the member.

- (5) Terms used
- (a) JRF Judicial retirement fund.
- (b) JRS Judicial retirement system.
- (c) LEOFF Law enforcement officers' and fire fighters' system.
 - (d) PERS Public employees' retirement system.
 - (e) SERS School employees' retirement system.
 - (f) TRS Teachers' retirement system.
 - (g) WSPRS Washington state patrol retirement system.

NEW SECTION

WAC 415-02-350 What are cost of living adjustments (COLA) and how are they calculated? (1) What is a cost of living adjustment (COLA)? A retiree's, beneficiary's, or ex-spouse's benefit is a fixed amount. The benefit's value can change in the years after retirement because of inflation or other factors. A COLA automatically adjusts benefits based on the cost of living changes.

- (2) What retirement plans include COLAs? With one exception, all retirement plans that the department administers provide one or more of the types of COLAs listed in subsection (3) of this section. The judges retirement fund (JRF) (chapter 2.12 RCW) does not provide a COLA.
 - (3) What are the types of COLAs?
 - (a) Auto COLA

The auto COLA is an option members can select at retirement. Members who choose this option have their benefits actuarially reduced at retirement to provide for an automatic annual adjustment in the benefit for the members' lives. The auto COLA has no age requirement and is based on the annual Consumer Price Index (CPI)¹ change up to a maximum of 3% times the monthly benefit. The annual adjustment for the uniform COLA is independent from the auto COLA or any other COLA.

¹CPI for the Seattle-Tacoma-Bremerton, Washington area for urban wage earners and clerical workers compiled by the Bureau of Labor Statistics, United States Department of Labor.

(b) Base COLA

The base COLA is applied in July (April for LEOFF Plan I) of each year and adjusts the benefit based on the change in the CPI for Seattle.

(c) Uniform COLA

The uniform COLA is an annual adjustment to the benefit, based on years of service, payable to:

- (i) Retirees, beneficiaries, or ex-spouses age 66 or older who have been retired for at least one year by July 1st of each year; and
- (ii) Retirees, beneficiaries, or ex-spouses of any age whose retirement is calculated under the minimum formula.
- (4) How are COLAs calculated? The retirement statutes for all department administered systems explain how the COLAs are calculated. Refer to the following table to find your plan:

NEW SECTION

WAC 388-513-1364 Evaluating the transfer of an asset made on or after March 1, 2003 for long-term care (LTC) services. This section describes how the department evaluates the transfer of an asset made on or after March 1, 2003, by a client who is applying or approved for LTC services. The department must consider whether a transfer made within a specified time before the month of application requires a penalty period in which the client is not eligible for these services. Refer to WAC 388-513-1365 for rules used to evaluate the transfer of an asset made before March 1, 2003.

- (1) The department disregards the following transfers by the client, if they meet the conditions described:
- (a) Gifts or donations totaling one thousand dollars or less in any month;
- (b) The transfer of an excluded resource described in WAC 388-513-1360 with the exception of the client's home, unless the transfer of the client's home meets the conditions described in subsection (1)(d);
- (c) The transfer of an asset for less than fair market value (FMV), if the client can provide evidence to the department of one of the following:
- (i) An intent to transfer the asset at FMV or other adequate compensation;
 - (ii) The transfer is not made to qualify for LTC services;
 - (iii) The client is given back ownership of the asset;
- (iv) The denial of eligibility would result in an undue hardship.
- (d) The transfer of ownership of the client's home, if it is transferred to the client's:
 - (i) Spouse; or
 - (ii) Child, who:
- (A) Meets the disability criteria described in WAC 388-511-1105 (1)(b) or (c); or
 - (B) Is less than twenty-one years old; or
- (C) Lived in the home for at least two years immediately before the client's current period of institutional status, and provided care that enabled the client to remain in the home; or
 - (iii) Brother or sister, who has:
 - (A) Equity in the home; and
- (B) Lived in the home for at least one year immediately before the client's current period of institutional status.
- (e) The transfer of an asset other than the home, if the transfer meets the conditions described in subsection (4), and the asset is transferred:

- (i) To the client's spouse or to another person for the sole benefit of the spouse;
- (ii) From the client's spouse to another person for the sole benefit of the spouse;
- (iii) To the client's child who meets the disability criteria described in WAC 388-511-1105 (1)(b) or (c), or to a trust established for the sole benefit of this child; or
- (iv) To a trust established for the sole benefit of a person who is sixty-four years old or younger and meets the disability criteria described in WAC 388-511-1105 (1)(b) or (c).
- (2) The department disregards the transfer of an asset to a family member prior to the current period of institutional status and does not establish a period of ineligibility, if:
- (a) The transfer is in exchange for care services the family member provided the client;
- (b) The client has a documented need for the care services provided by the family member;
- (c) The care services provided by the family member are allowed under the Medicaid state plan or the department's waivered services:
- (d) The care services provided by the family member do not duplicate those that another party is being paid to provide;
- (e) The FMV of the asset transferred is comparable to the FMV of the care services provided;
- (f) The time for which care services are claimed is reasonable based on the kind of services provided;
- (g) Compensation has been paid as the care services were performed or with no more time delay than one month between the provision of the service and payment; and
 - (h) There is a written agreement:
 - (i) Describing the terms of the exchange;
- (ii) Stating that the transferred asset is considered payment for the care services provided; and
- (iii) Signed by the client and family member prior to the date these services began.
- (3) The department considers the transfer of an asset in exchange for care services given by a family member that does not meet the criteria as described under subsection (2) as the transfer of an asset without adequate consideration.
- (4) The department considers the transfer of an asset or the establishment of a trust to be for the sole benefit of a person described in subsection (1)(e), if the transfer or trust:
- (a) Is established by a legal document that makes the transfer irrevocable; and
- (b) Provides for spending all assets involved for the sole benefit of the individual on a basis that is actuarially sound based on the life expectancy of that individual;
- (c) Produces a tangible benefit as defined in WAC 388-513-0001; and
- (d) Is paid out in equal monthly installments or budgeted as if paid out in equal monthly installments within the actuarial life expectancy of the beneficiary.
- (5) If the transfer or trust does not meet the criteria described in (4)(a), (b), (c) and (d), the asset or trust will be considered available when determining eligibility.
- (6) If a client or the client's spouse transfers an asset within the look-back period described in WAC 388-513-1365 without receiving adequate compensation, the result is a penalty period in which the client is not eligible for LTC services. If a client or the client's spouse transfers an asset on or

after March 1, 2003, the department must establish a penalty period as follows:

- (a) If a single or multiple transfers are made within a single month, then the penalty period:
- (i) Begins on the first day of the month in which the transfer is made; and
- (ii) Ends on the last day of the number of whole days found by dividing the total uncompensated value of the assets by the statewide average daily private cost for nursing facilities at the time of application.
- (b) If multiple transfers are made during multiple months, then the transfers are treated as separate events and multiple penalty periods are established that:
 - (i) Begin on the latter of:
- (A) The first day of the month in which the transfer is made; or
- (B) The first day after any previous penalty period has ended and end on the last day of the whole number of days as described in subsection (6)(a)(ii).
- (7) If an asset is sold, transferred, or exchanged, the portion of the proceeds:
- (a) That is used within the same month to acquire an excluded resource described in WAC 388-513-1360 does not affect the client's eligibility;
- (b) That remain after an acquisition described in subsection (7)(a) becomes an available resource as of the first day of the following month.
- (8) If the transfer of an asset to the client's spouse includes the right to receive a stream of income not generated by a transferred resource, the department must apply rules described in WAC 388-513-1330 (6) through (8).
- (9) If the transfer of an asset for which adequate compensation is not received is made to a person other than the client's spouse and includes the right to receive a stream of income not generated by a transferred resource, the length of the penalty period is determined and applied in the following way:
- (a) The total amount of income that reflects a time frame based on the actuarial life expectancy of the client who transfers the income is added together;
- (b) The amount described in subsection (9)(a) is divided by the statewide average daily private cost for nursing facilities at the time of application; and
- (c) A penalty period equal to the number of whole days found by following subsections (6)(a) and (b) and (9)(a) and (b) is applied that begins on the latter of:
- (i) The first day of the month in which the client transfers the income; or
- (ii) The first day of the month after any previous penalty period has ended.
- (10) A penalty period for the transfer of an asset that is applied to one spouse is not applied to the other spouse, unless:
 - (a) Both spouses are receiving LTC services; and
- (b) A division of the penalty period between the spouses is requested.
- (11) If a client or the client's spouse disagrees with the determination or application of a penalty period, that person may request a hearing as described in chapter 388-02 WAC.

AMENDATORY SECTION (Amending WSR 01-06-043, filed 3/5/01, effective 5/1/01)

WAC 388-561-0001 Definitions. "Annuitant" means a person or entity that receives the income from an annuity.

"Annuity" means a policy, certificate or contract that is an agreement between two parties in which one party pays a lump sum to the other, and the other party agrees to guarantee payment of a set amount of money over a set amount of time. The annuity may be purchased at one time or over a set period of time and may be bought individually or with a group. It may be revocable or irrevocable. The party guaranteeing payment can be an:

- (1) Individual; or
- (2) Insurer or similar body licensed and approved to do business in the jurisdiction in which the annuity is established.

"Beneficiary" means an individual(s) designated in the trust who benefits from the trust. The beneficiary can also be called the grantee. The beneficiary and the grantor may be the same person.

"Designated for medical expenses" means the trustee may use the trust to pay the medical expenses of the beneficiary. The amount of the trust that is designated for medical expenses is considered an available resource to the beneficiary. Payments are a third party resource.

"Disbursement" or "distribution" means any payment from the principal or proceeds of a trust, annuity, or life estate to the beneficiary or to someone on their behalf.

"Discretion of the trustee" means the trustee may decide what portion (up to the entire amount) of the principal of the trust will be made available to the beneficiary.

"Exculpatory clause" means there is some language in the trust that legally limits the authority of the trustee to distribute funds from a trust if the distribution would jeopardize eligibility for government programs including Medicaid.

"Grantor" means an individual who uses his assets or funds to create a trust. The grantor may also be the beneficiary.

"Income beneficiary" means the person receiving the payments may only get the proceeds of the trust. The principal is not available for disbursements. If this term is used, the principal of the trust is an unavailable resource.

"Irrevocable" means the legal instrument cannot be changed or terminated in any way by anyone.

"Life estate" means an ownership interest in a property only during the lifetime of the person(s) owning the life estate. In some cases, the ownership interest lasts only until the occurrence of some specific event, such as remarriage of the life estate owner. A life estate owner may not have the legal title or deed to the property, but may have rights to possession, use, income and/or selling their life estate interest in the property.

"Principal" means the assets that make up the entity. The principal includes income earned on the principal that has not been distributed. The principal is also called the corpus.

"Proceeds" means the income earned on the principal. It is usually interest, dividends, or rent. When the proceeds are not distributed, they become part of the principal.

"Pooled trust" means a trust meeting all of the following conditions:

- (1) It contains funds of more than one disabled individual, combined for investment and management purposes;
- (2) It is for the sole benefit of disabled individuals (as determined by SSA criteria);
- (3) It was created by the disabled individuals, their parents, grandparents, legal guardians, or by a court;
- (4) It is managed by a nonprofit association with a separate account maintained for each beneficiary; and
- (5) It contains a provision that upon the death of the individual, for any funds not retained by the trust, the state will receive all amounts remaining in the individual's separate account up to the total amount of Medicaid paid on behalf of that individual.

"Revocable" means the legal instrument can be changed or terminated by the grantor, or by petitioning the court. A legal instrument that is called irrevocable, but that can be terminated if some action is taken, is revocable for the purposes of this section.

"Sole-benefit trust" means an irrevocable trust established for the sole-benefit of a spouse, blind or disabled child, or disabled individual. In a sole-benefit trust no one but the individual named in the trust receives benefit from the trust in any way either at the time the trust is established or at any time in the future. A sole-benefit trust may allow for reasonable costs to trustees for management of the trust and reasonable costs for investment of trust funds.

"Special needs trust" means ((a)) an irrevocable trust meeting all of the following conditions:

- (1) It is for the sole benefit of a disabled individual (as determined by SSA criteria) under sixty-five years old:
- (2) It was created by the individual's parent, grandparent, legal guardian, or by a court; and
- (3) It contains a provision that upon the death of the individual, the state will receive the amounts remaining in the trust up to the total amount of Medicaid paid on behalf of the individual.

"Tangible benefit" means an asset that is producing income consistent with its fair market value (FMV), which is used for the sole benefit of a spouse, blind or disabled child, or disabled individual.

"Testamentary trust" means a trust created by a will from the estate of a deceased person. The trust is paid out according to the will.

"Trust" means property (such as a home, cash, stocks, or other assets) is transferred to a trustee for the benefit of the grantor or another party. The department includes in this definition any other legal instrument similar to a trust. For annuities, refer to WAC 388-561-0200.

"Trustee" means an individual, bank, insurance company or any other entity that manages and administers the trust for the beneficiary.

"Undue hardship" means the client would be unable to meet shelter, food, clothing, and health care needs if the department applied the transfer of assets penalty. AMENDATORY SECTION (Amending WSR 01-06-043, filed 3/5/01, effective 5/1/01)

WAC 388-561-0100 Trusts. (1) The department determines how trusts affect eligibility for medical programs.

- (2) The department disregards trusts established, on or before April 6, 1986, for the sole benefit of a client who lives in an intermediate care facility for the mentally retarded (ICMR).
- (3) For trusts established on or before August 10, 1993 the department counts the following:
- (a) If the trust was established by the client, client's spouse, or the legal guardian, the maximum amount of money (payments) allowed to be distributed under the terms of the trust is considered available income to the client if all of the following conditions apply:
- (i) The client could be the beneficiary of all or part of the payments from the trust;
- (ii) The distribution of payments is determined by one or more of the trustees; and
- (iii) The trustees are allowed discretion in distributing payments to the client.
- (b) If an irrevocable trust doesn't meet the conditions under subsection (3)(a) then it is considered either:
- (i) An **unavailable** resource, if the client established the trust for a beneficiary other than the client or the client's spouse; or
- (ii) An available resource in the amount of the trust's assets that:
 - (A) The client could access; or
- (B) The trustee distributes as actual payments to the client and the department applies the transfer of assets rules of WAC 388-513-1365 or 388-513-1364.
- (c) If a revocable trust doesn't meet the description under subsection (3)(a):
- (i) The full amount of the trust is an available resource of the client if the trust was established by:
 - (A) The client:
- (B) The client's spouse, and the client lived with the spouse; or
- (C) A person other than the client or the client's spouse only to the extent the client had access to the assets of the trust.
- (ii) Only the amount of money actually paid to the client from the trust is an available resource when the trust was established by:
- (A) The client's spouse, and the client did not live with the spouse; or
- (B) A person other than the client or the client's spouse; and
 - (C) Payments were distributed by a trustee of the trust.
- (iii) The department considers the funds a resource, not income.
 - (4) For trusts established on or after August 11, 1993:
- (a) The department considers a trust as if it were established by the client when:
- (i) The assets of the trust, as defined under WAC 388-470-0005, are at least partially from the client;
 - (ii) The trust is not established by will; and
 - (iii) The trust was established by:

- (A) The client or the client's spouse;
- (B) A person, including a court or administrative body, with legal authority to act in place of, or on behalf of, the client or the client's spouse; or
- (C) A person, including a court or administrative body, acting at the direction of or upon the request of the client or the client's spouse.
- (b) Only the assets contributed to the trust by the client are available to the client when part of the trust assets were contributed by any other person.
 - (c) The department does not consider:
 - (i) The purpose for establishing a trust;
- (ii) Whether the trustees have, or exercise, any discretion under the terms of the trust;
- (iii) Restrictions on when or whether distributions may be made from the trust; or
- (iv) Restrictions on the use of distributions from the trust.
- (d) For a revocable trust established as described under subsection (4)(a) of this section:

- (ii) Payments from the trust to or for the benefit of the client are income of the client; and
- (iii) Any payments from the trust, other than payments described under subsection (4)(d)(ii), are considered a transfer of client assets.
- (e) For an irrevocable trust established as described under subsection (4)(a) of this section:
- (i) Any part of the trust from which payment can be made to or for the benefit of the client is an available resource. When payment is made from such irrevocable trusts, we will consider the payments as:
- (A) Income to the client when payment is to or for the client's benefit; or
- (B) The transfer of an asset when payment is made to any person for any purpose other than the client's benefit;
- (ii) A trust from which a payment cannot be made to or for the client's benefit is a transfer of assets. For such a trust, the transfer of assets is effective the date:
 - (A) The trust is established; or
- (B) The client is prevented from receiving benefit, if this is after the trust is established.
- (iii) The value of the trust includes any payments made from the trust after the effective date of the transfer.
- (5) Trusts established on or after August 11, 1993 are not considered available resources if they contain the assets of either:
- (a) A person sixty-four years of age or younger who is disabled as defined by SSI criteria (as described in WAC 388-503-0510) and the trust:
 - (i) Is irrevocable;
- (ii) Is established for the sole benefit of this person by their parent, grandparent, legal guardian, or a court; and
- (((ii))) (iii) Stipulates that the state will receive all amounts remaining in the trust upon the death of the client, the end of the disability, or the termination of the trust, up to the amount of Medicaid spent on the client's behalf; or

- (b) A person regardless of age, who is disabled as defined by SSI criteria (as described in WAC 388-503-0510), and the trust is managed by a nonprofit association which:
 - (i) Is irrevocable;
- (ii) Maintains separate accounts for each trust beneficiary; and
- (((ii))) (iii) May pool such separate accounts only for investment and fund management purposes; and
 - (((iii))) (iv) Stipulates that either:
- (A) The state will receive all amounts remaining in the client's separate account upon the death of the client, the end of the disability, or the termination of the trust, up to the amount of Medicaid spent on the client's behalf; or
- (B) The funds will remain in the trust to benefit other disabled beneficiaries of the trust.
- (6) ((The department considers payments made from trusts in subsection (5) to be unearned income.
- (7))) The department considers payments made from trusts to be unearned income.
- (7) A Sole-Benefit Trust established on or after March 1, 2003 will be considered an unavailable resource if:
- (a) It meets the definition of Sole-Benefit in WAC 388-561-0001;
- (b) It is paid out, or budgeted as if paid out, in equal monthly amounts within the actuarial life expectancy of the beneficiary;
- (c) The institutionalized spouse is designated as the beneficiary for the assets contributed by him/herself if the community spouse dies; and
- (d) It produces a tangible benefit (see WAC 388-561-0001).
- (8) A Sole-Benefit Trust established on or after March 1, 2003 that is not scheduled to be paid out in equal monthly amounts, can still be considered an unavailable resource if:
- (a) It meets the conditions described in subsection (7)(a), (c), and (d) of this section;
- (b) The full pay out is within the actuarial life expectancy of the client; and
 - (c) The client:
- (i) Changes the scheduled pay out into equal monthly payments within the actuarial life expectancy of the beneficiary; or
- (ii) Requests that the department calculate and budget the payments as if they were paid out in equal monthly payments within the actuarial life expectancy of the beneficiary. The income from the trust remains unearned income to the beneficiary.
- (9) The Sole-Benefit Trust must pay out all assets for the "sole benefit" of the individual on a basis that is actuarially sound based on the life expectancy of the individual involved. If the trust does not provide this, the assets in the trust will be considered an available resource when determining eligibility.
- (10) The department will only count income from trusts and not the principal, if:
 - (a) The beneficiary has no control over the trust; and
- (b) It was established with funds of someone other than the client, spouse or legally responsible person.

 $((\frac{(8)}{(8)}))$ (11) This section does not apply when a client establishes that undue hardship exists.

(((9))) (12) WAC <u>388-513-1364</u>, 388-513-1365, and <u>388-513-1366</u> applies when the department determines that a trust or a portion of a trust is a transfer of assets.

WSR 03-02-077 PROPOSED RULES DEPARTMENT OF FISH AND WILDLIFE

[Filed December 30, 2002, 1:24 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-22-095.

Title of Rule: Commercial fishing rules.

Purpose: Amend purse seine herring fishery rules. Statutory Authority for Adoption: RCW 77.12.047.

Statute Being Implemented: RCW 77.12.047.

Summary: Eliminate coastal purse seine herring fishery.

Reasons Supporting Proposal: Reduce pressure on herring stocks and help herring purse seine license holders.

Name of Agency Personnel Responsible for Drafting: Evan Jacoby, 1111 Washington Street, Olympia, 902-2930; Implementation: Lew Atkins, 1111 Washington Street, Olympia, 902-2651; and Enforcement: Bruce Bjork, 1111 Washington Street, Olympia, 902-2373.

Name of Proponent: Department of Fish and Wildlife, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: Herring licenses need to be renewed on an annual basis, unless no fishery is available. If a fishery is available, all licensees are required to renew the license. The traditional herring fisheries in Puget Sound are not available, due to a decline in herring stocks and no open seasons. A minimal fishery exists in the coastal harbors, but is not commercially viable for a full fleet fishery. Additional pressure on these stocks is not warranted, and a closure of the coastal harbor and lower Columbia River herring fishery to purse seine gear will both protect stocks and provide for a license renewal exception.

Proposal Changes the Following Existing Rules: Close coastal harbor herring fishery.

A small business economic impact statement has been prepared under chapter 19.85 RCW.

Small Business Economic Impact Statement

- 1. Description of the Reporting, Record-keeping, and Other Compliance Requirements of the Proposed Rule: None.

 - a. Cost per employee;
 - b. Cost per hour of labor; or
 - c. Cost per one hundred dollars of sales.

For the entire industry, the total value of the fisheries impacted by this proposal is \$5,067. The total sales for the industry is \$514,589. The cost per one hundred dollars in sales is 98 cents.

For the largest 10%, the cost is 0 cents per \$100 dollars in sales.

- 6. Steps Taken by the Agency to Reduce the Costs of the Rule on Small Businesses or Reasonable Justification for Not Doing So: The agency has minimized the size and timing of the restricted fishing areas and acted to eliminate the need to annually renew herring purse seine licenses.

WSR 03-02-094 PROPOSED RULES DEPARTMENT OF AGRICULTURE

[Filed December 31, 2002, 4:09 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-22-075.

Title of Rule: WAC 16-319-041 Application for certification of forest reproductive material.

Purpose: The Washington State Department of Agriculture (WSDA), upon the recommendation of the Washington State Crop Improvement Association, is responding to a seed industry request to increase forest reproductive material certification fees.

Statutory Authority for Adoption: RCW 15.49.005, 15.49.310 and 15.49.370(3).

Statute Being Implemented: Chapter 15.49 RCW.

Summary: WSDA proposes increasing the certification fees for forest reproductive material by the Office of Financial Management (OFM) fiscal growth rate factor of 3.29%.

Reasons Supporting Proposal: The proposed fee increases are necessary to help offset inflationary increases in the cost of operating that portion of the forest reproductive material certification program delegated to the Washington State Crop Improvement Association by the WSDA director.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Graydon Robinson, Washington State Department of Agriculture, Seed Program, 21 North 1st Avenue, Suite 203, Yakima, (509) 225-2630.

Name of Proponent: Washington State Department of Agriculture, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: This proposal is in response to an industry request to increase certification fees for forest reproductive material. The proposed increases, which are based upon the OFM fiscal growth rate factor of 3.29%, help offset inflationary increases in operating costs for that portion of the certification program delegated to the Washington State Crop Improvement Association by the WSDA director.

Proposal Changes the Following Existing Rules: The proposal increases current forest reproductive material certification fees by 3.29%.

No small business economic impact statement has been prepared under chapter 19.85 RCW. The WSDA concludes that the proposed increases in current seed certification fees, based upon the OFM fiscal growth rate factor of 3.29%, does not impose a "more than minor cost" on the seed industry and, therefore, a small business economic impact statement is not required according to RCW 19.85.030 (1)(a).

In addition, all businesses affected by this proposal employ more than fifty employees and, therefore, do not meet the definition of a "small business" in RCW 19.85.-020(1).

RCW 34.05.328 does not apply to this rule adoption. Washington State Department of Agriculture is not a listed agency in RCW 34.05.328 (5)(a)(i).

Hearing Location: Washington State Department of Agriculture, 21 North 1st Avenue, Yakima, WA 98902, on February 4, 2003, at 10:30 a.m.

Assistance for Persons with Disabilities: Contact Laurie Crose by January 27, 2003, TDD (360) 902-1996.

Date of Intended Adoption: February 19, 2003.

Title of Rule: WAC 16-303-340 Seed certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum, and small grains.

Purpose: The Washington State Department of Agriculture (WSDA), upon the recommendation of the Washington State Crop Improvement Association, is responding to a seed industry request to increase seed certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum, and small grains.

Statutory Authority for Adoption: RCW 15.49.310 and 15.49.370(3).

Statute Being Implemented: Chapter 15.49 RCW.

Summary: WSDA proposes increasing the seed certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum, and small grains by the Office of Financial Management (OFM) fiscal growth rate factor of 3.29%.

Reasons Supporting Proposal: The proposed fee increases are necessary to help offset inflationary increases in the cost of operating that portion of the seed certification program delegated to the Washington State Crop Improvement Association by the WSDA director.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Graydon Robinson, Washington State Department of Agriculture, Seed Program, 21 North 1st Avenue, Suite 203, Yakima, (509) 225-2630.

Name of Proponent: Washington State Department of Agriculture, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: This proposal is in response to an industry request to increase certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum, and small grains. The proposed increases, which are based upon the OFM fiscal growth rate factor of 3.29%, help offset inflationary increases in operating costs for that portion of the seed certification program delegated to the Washington State Crop Improvement Association by the WSDA director.

Proposal Changes the Following Existing Rules: The proposal increases seed certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum, and small grains by 3.29%.

No small business economic impact statement has been prepared under chapter 19.85 RCW. The WSDA concludes that the proposed increases in current seed certification fees, based upon the OFM fiscal growth rate factor of 3.29%, does not impose a "more than minor cost" on the seed industry and, therefore, a small business economic impact statement is not required according to RCW 19.85.030 (1)(a).

In addition, participation in the seed certification program in Washington is voluntary. Neither the State Seed Act nor any other state regulation requires participation in the program. It is possible to grow, condition, and market quality seeds without participation in the seed certification program. Finally, the fees in this proposal are for inspection services that are entirely voluntary.

RCW 34.05.328 does not apply to this rule adoption. Washington State Department of Agriculture is not a listed agency in RCW 34.05.328 (5)(a)(i).

WSR 03-02-097 PROPOSED RULES LIQUOR CONTROL BOARD

[Filed January 2, 2003, 9:47 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 00-23-112.

Title of Rule: Chapter 314-29 WAC, Violation of Liquor Control Board law or rule.

Purpose: The purpose of this proposed rule making is to revise the penalty guideline schedule for violations of Liquor Control Board laws and rules by liquor licensees. This rule making would create new rules to replace existing rules on this subject.

Statutory Authority for Adoption: RCW 66.08.030, 66.24.010, 66.24.120.

Statute Being Implemented: RCW 66.24.010, 66.24.120.

Summary: The proposed changes would have the following effects:

- Add more detailed penalty guidelines for nonretail violations. Currently there is one catchall category for violations involving the manufacture, supply, and/or distribution of liquor by nonretail licensees and prohibited practices between nonretail and retail licensees.
- Add a standard penalty guideline schedule for violations of alcohol impact area (AIA) rules. Because the agency has not updated the penalty guideline rules since the AIA rules were adopted, the standard guideline for violations of the AIA rules is not currently listed.
- Clarify existing language for clarity, with no substantive changes.

Name of Agency Personnel Responsible for Drafting: Teresa Berntsen, Rules Coordinator, 3000 Pacific Avenue S.E., Olympia, (360) 664-1648; Implementation and Enforcement: Rick Phillips, Enforcement Director, 3000 Pacific Avenue S.E., Olympia, (360) 664-1780.

Name of Proponent: Washington State Liquor Control Board, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: The purpose of this proposed rule making is to revise the penalty guideline schedule for violations of Liquor Control Board laws and rules by liquor licensees.

Proposal Changes the Following Existing Rules: Delete current rules and rewrite language in new sections in order to:

- Add more detailed penalty guidelines for nonretail violations. Currently there is one catchall category for violations involving the manufacture, supply, and/or distribution of liquor by nonretail licensees and prohibited practices between nonretail and retail licensees.
- Add a standard penalty guideline schedule for violations of AIA rules. Because we have not updated the penalty guideline rules since the AIA rules were adopted, the standard guideline for violations of the AIA rules is not currently listed.
- Clarify existing language, with no substantive changes.

The new sections would replace the following existing rules: WAC 314-12-170 What are the penalties if a retail liquor licensee violates the liquor laws or rules, 314-12-300 Group one (1) violations against public safety, 314-12-310 Group two (2) offenses—Conduct violations, 314-12-320 Group three (3) offenses—Regulatory violations, 314-12-330 Can the board impose sanctions or penalties other than those indicated in WAC 314-12-170?, and 314-12-340 What are some examples of mitigating and aggravating circumstances?

No small business economic impact statement has been prepared under chapter 19.85 RCW. No disproportionate impact to small businesses.

RCW 34.05.328 does not apply to this rule adoption. The Washington State Liquor Control Board is not a listed agency in RCW 34.05.328.

Hearing Location: Liquor Control Board Headquarters, Board Room, 3000 Pacific Avenue S.E., Olympia, WA, on February 5, 2003, at 10 a.m.

Assistance for Persons with Disabilities: Contact Teresa Berntsen by February 4, 2003, TDD (360) 586-4727 or (360) 664-1648.

WSR 03-02-098 PROPOSED RULES DEPARTMENT OF AGRICULTURE

[Filed January 2, 2003, 9:58 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-22-090.

Title of Rule: Rules related to the use of pesticides containing the active ingredient thiamethoxam when applied to pome fruits.

Purpose: The proposed rules are intended to provide enhanced protection for honeybees when used to pollinate pome fruits which have been treated with products containing the active ingredient thiamethoxam.

Statutory Authority for Adoption: RCW 15.58.040, 17.21.030 and chapter 34.05 RCW.

Statute Being Implemented: Chapters 15.58 and 17.21 RCW.

Summary: During 2002, Washington State Department of Agriculture (WSDA) investigated eleven reports of honey-

bee kills that appear to be related to the use of products containing the active ingredient thiamethoxam in pome fruits. Honeybees are essential for the pollination of pome fruits and need enhanced protection. The registrant for products containing the active ingredient thiamethoxam has submitted label changes to the Environmental Protection Agency (EPA), which will provide enhanced protection of honey bees. The label changes are likely to be approved by EPA and the changes should appear on products containing the active ingredient thiamethoxam distributed in 2003. The proposed rule is intended to accomplish two primary purposes. One would be to address existing supplies of products containing the active ingredient thiamethoxam, which would not have the new label language. The second purpose would be to ensure there are rules in place if supplies of products containing the active ingredient thiamethoxam with the new label language are not available in time for the use season (early spring). The new rules will be identical in content to the newly proposed label language, which the registrant of products containing the active ingredient thiamethoxam has sent to EPA for approval. NOTE: WSDA is not currently considering any restrictions which would prohibit the use of products containing the active ingredient thiamethoxam, rather restrictions are being proposed which will allow the use of products containing the active ingredient thiamethoxam while at the same time provide enhanced protection for pollinators.

Reasons Supporting Proposal: Honeybees are essential for the pollination of pome fruits and need enhanced protection when products containing the active ingredient thiamethoxam are used to treat pome fruits. Products containing the active ingredient thiamethoxam are highly toxic to honeybees and have an extended residual hazard.

Name of Agency Personnel Responsible for Drafting: Erik Johansen, 1111 Washington Street, Olympia, WA, (360) 902-2078; Implementation and Enforcement: Cliff Weed, 1111 Washington Street, Olympia, WA, (360) 902-2036.

Name of Proponent: Washington State Department of Agriculture, Pesticide Management Division, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects:

- Makes pesticides containing the active ingredient thiamethoxam restricted use pesticides when labeled for use on pome fruits, including apples and pears.
- Establishes specific stages of bloom development when products containing the active ingredient thiamethoxam can legally be applied to apples and pears.
- Prohibits the application of products containing the active ingredient thiamethoxam directly to blooming plants or allowing products containing the active ingredient thiamethoxam to drift onto blooming plants.
- After an application of products containing the active ingredient thiamethoxam, a waiting period of

- at least five days must take place before placing the beehives in the treated orchard.
- Requires that any blooming plants or weeds be removed prior to the application of products containing the active ingredient thiamethoxam. Mowing, disking, mulching, flailing or applying a labeled herbicide may accomplish this.

The proposed rule is intended to accomplish two primary purposes. One would be to address existing supplies of products containing the active ingredient thiamethoxam, which would not have the new label language. The second purpose would be to ensure there are rules in place if supplies of products containing the active ingredient thiamethoxam with the new label language are not available in time for the use season (early spring). The new rules will be identical in content to the newly proposed label language, which the registrant of products containing the active ingredient thiamethoxam has sent to EPA for approval.

The proposed rules are intended to provide enhanced protection for honeybees when used to pollinate pome fruits that have been treated with products containing the active ingredient thiamethoxam.

Proposal Changes the Following Existing Rules: The proposed rule is intended to accomplish two primary purposes. One would be to address existing supplies of products containing the active ingredient thiamethoxam, which would not have the new label language. The second purpose would be to ensure there are rules in place if supplies of products containing the active ingredient thiamethoxam with the new label language are not available in time for the use season (early spring). The new rules will be identical in content to the newly proposed label language, which the registrant of products containing the active ingredient thiamethoxam has sent to EPA for approval.

No small business economic impact statement has been prepared under chapter 19.85 RCW. The registrant of products containing the active ingredient thiamethoxam has submitted label changes to the EPA that will provide enhanced protection of honeybees. The label changes are likely to be approved by EPA and should appear on products containing the active ingredient thiamethoxam that are distributed in 2003. RCW 19.85.030 requires that a state agency must prepare a small business economic impact statement (SBEIS) if a proposed rule will impose a "more than minor cost" on the businesses in the regulated industry. WSDA has determined that the proposed rules will not impose a "more than minor cost" on regulated businesses because the proposed new WSDA rules will be identical in content to the newly proposed registrant label language, which the registrant has sent to EPA for approval. Because the proposed WSDA rules will be identical to the newly labeled products containing the active ingredient thiamethoxam the cost impact to the users of products containing the active ingredient thiamethoxam is not "more than minor" and an SBEIS is not required.

RCW 34.05.328 does not apply to this rule adoption. The Washington State Department of Agriculture is not a listed agency in RCW 34.05 (a)(i) [34.05.328 (5)(a)(i)].

NEW SECTION

WAC 16-228-1262 When are pesticides containing the active ingredient thiamethoxam restricted use pesticides? Pesticides containing the active ingredient thiamethoxam are declared to be restricted use pesticides when labeled for use on pome fruits, including apples and pears.

NEW SECTION

WAC 16-228-1264 What are the restrictions on the use of pesticides containing the active ingredient thiamethoxam when labeled for use on pome fruits, including apples and pears? In addition to the restrictions placed on the product label, pesticides containing the active ingredient thiamethoxam cannot be applied to pome fruits, including apples and pears, without complying with the requirements in WAC 16-228-1266.

NEW SECTION

WAC 16-228-1266 What requirements must I comply with before making an application of a pesticide containing the active ingredient thiamethoxam to pome fruits, including apples and pears? Before applying thiamethoxam to pome fruits, including apples and pears, you must comply with the following requirements:

- (1) For product labeled for use on **apples**, apply thiamethoxam prior to prebloom (prepink or tight cluster growth stage) or after post bloom (petal fall). Do not apply thiamethoxam between prebloom and petal fall.
- (2) For **pears**, apply thiamethoxam prior to prebloom (green cluster or cluster bud stage) or after post bloom (petal fall). Do not apply thiamethoxam between prebloom and petal fall.
- (3) Do not apply thiamethoxam to blooming plants or allow it to drift onto blooming plants. This is especially critical if there are adjacent orchards that are blooming. (Refer to recommendations to avoid spray drift on the product label for additional information.)
- (4) After an application of thiamethoxam, wait at least five days before placing the beehives in the treated orchard.
- (5) If bees are foraging in the orchard ground cover and it contains any blooming plants or weeds, always remove flowers before making an application of thiamethoxam. This

may be accomplished by mowing, disking, mulching, flailing or applying a labeled herbicide.

WSR 03-02-099 PROPOSED RULES DEPARTMENT OF AGRICULTURE

[Filed January 2, 2003, 10:00 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-22-091.

Title of Rule: Rules related to exemptions to pesticide products declared to be restricted use pesticides.

Purpose: The purpose of the proposed rule is to exempt pesticide products labeled ONLY for home and garden use for the control of mosquito larvae from being declared "state restricted use" pesticides.

Other Identifying Information: WAC 16-228-1231 (1)(d) declares pesticides labeled for application onto or into water to control pests on or in water to be "state restricted use" pesticides. WAC 16-228-1231(2) lists pesticides that are exempt from the requirements of WAC 16-228-1231.

Statutory Authority for Adoption: RCW 15.58.040, chapter 34.05 RCW.

Statute Being Implemented: Chapter 15.58 RCW.

Summary: The recent discovery of West Nile Virus (a mosquito-borne disease) in Washington and the expectation that additional discoveries will occur next year, has caused a great deal of concern among Washington citizens. There are a number of mosquito control products available for the homeowner to purchase at local retail outlets, but most of these are adulticides. The preferred method of chemical control of mosquitoes is the use of larvicides. Larvicides, however, must be applied to water and, with limited exceptions, products labeled for use in water are "state restricted use," requiring a license to sell, purchase, and use the product. WAC 16-228-1231(2) lists those limited exceptions. The proposal would add products labeled only for home and garden use for the control of mosquito larvae as one of these exceptions. The number of products labeled only for this use is small, primarily consisting of products containing bacillus thuringiensis (commonly referred to as Bt.). Nevertheless, it will give the homeowner an added tool to control the vector for West Nile Virus.

Reasons Supporting Proposal: See Summary above.

Name of Agency Personnel Responsible for Drafting and Implementation: Ted Maxwell, Program, Olympia, Washington, (360) 902-2026; and Enforcement: Cliff Weed, Program, Olympia, Washington, (360) 902-2036.

Name of Proponent: Department of Agriculture, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: The recent discovery of West Nile Virus (a mosquito-borne disease) in Washington and the expectation that additional discoveries will occur next year, has caused a great deal of concern among Washington citizens. There are a

number of mosquito control products available for the homeowner to purchase at local retail outlets, but most of these are adulticides. The preferred method of chemical control of mosquitoes is the use of larvicides. Larvicides, however, must be applied to water and, with limited exceptions, products labeled for use in water are "state restricted use," requiring a license to sell, purchase, and use the product. WAC 16-228-1231(2) lists those limited exceptions. The proposal would add products labeled **only** for home and garden use for the control of mosquito larvae as one of these exceptions. The number of products labeled only for this use is small, primarily consisting of products containing bacillus thuringiensis (commonly referred to as Bt.). Nevertheless, it will give the homeowner an added tool to control the vector for West Nile Virus.

Proposal Changes the Following Existing Rules: There are a number of mosquito control products available for the homeowner to purchase at local retail outlets, but most of these are adulticides. The preferred method of chemical control of mosquitoes is the use of larvicides. Larvicides, however, must be applied to water and, with limited exceptions, products labeled for use in water are "state restricted use," requiring a license to sell, purchase and use the product. WAC 16-228-1231(2) lists those limited exceptions. The proposal would add products labeled only for home and garden use for the control of mosquito larvae as one of these exceptions. Nevertheless, it will give the homeowner an added tool to control the vector for West Nile Virus.

No small business economic impact statement has been prepared under chapter 19.85 RCW. RCW 19.85.030 (1)(a) requires that an agency must prepare a small business economic impact statement (SBEIS) for proposed rules that impose a more than minor cost on businesses in an industry. The proposed rule amendments will not impose a cost on the regulated industry and therefore an SBEIS is not required.

RCW 34.05.328 does not apply to this rule adoption. The Washington State Department of Agriculture is not a listed agency in RCW 34.05 (a)(i) [34.05.328 (5)(a)(i)].

WSR 03-02-103 PROPOSED RULES DEPARTMENT OF FISH AND WILDLIFE

[Filed January 2, 2003, 10:32 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 02-22-096.

Purpose: Adopt WAC 232-28-331 Game management units (GMUs) boundary descriptions—Region one, 232-28-332 Game management units (GMUs) boundary descriptions—Region two, 232-28-333 Game management units (GMUs) boundary descriptions—Region three, 232-28-334 Game management units (GMUs) boundary descriptions—Region four, 232-28-335 Game management units (GMUs) boundary descriptions—Region five, 232-28-336 Game management units (GMUs) boundary descriptions—Region

six, and 232-12-289 Official hunting hours for game birds and game animals.

Repeal WAC 232-28-02201 Game management units (GMUs)—Special game areas—Boundary descriptions—Region one, 232-28-02202 Game management units (GMUs)—Special game areas—Boundary descriptions—Region two, 232-28-02203 Game management units (GMUs)—Special game areas—Boundary descriptions—Region three, 232-28-02204 Game management units (GMUs)—Special game areas—Boundary descriptions—Region four, 232-28-02205 Game management units (GMUs)—Special game areas—Boundary descriptions—Region five, 232-28-02206 Game management units (GMUs)—Special game areas—Boundary descriptions—Region six, and 232-28-02280 Game management units (GMUs)—Special game areas—Boundary descriptions—Region six, and 232-28-02280 Game management units (GMUs)—Special game areas—Boundary descriptions—Cougar areas.

Statutory Authority for Adoption: RCW 77.12.047. Statute Being Implemented: RCW 77.12.047.

Summary: The goals of the GMU boundary standardization and mapping process were to:

- 1. Establish GMU boundaries that conform to map-based features, which are clearly identifiable in the field (roads, shorelines, streams, powerlines, etc.)
- 2. Adopt and conform to a single base map to use for defining and adopting GMU boundaries.
- 3. Improve the spatial (positional) accuracy of WDFW's GIS layer for GMU boundaries.
- 4. Improve the consistency and decrease the complexity of GMU legal descriptions.
- 5. Look for potential partnerships for generating quality GMU map products for the public.

The Department of Natural Resources major public lands (MPL) 1:100,000 scale map series was selected as the standard base map for GMU boundary delineation. GIS staff conducted GMU boundary review and mapping sessions with wildlife and enforcement staff in regional offices. The resulting maps and legal descriptions were then compiled/digitized. This standardization process required numerous rounds of data compilation, review, research, and editing for GIS and regional staff. Staff will assess various opportunities and options for making quality GMU map products, and associated recreational information that can be provided to the public.

WAC 232-12-289 specifies legal hunting hours for game species.

Reasons Supporting Proposal: Provides recreational deer, elk, bear, and moose hunting opportunity. Directs hunting pressure for those species to the appropriate areas. Helps prevent over harvest of those species. Hunting hours are established to provide recreational opportunities during adequate light conditions for identification and retrieval of game.

Name of Agency Personnel Responsible for Drafting and Implementation: Dave Brittell, Assistant Director, Natural Resources Building, Olympia, (360) 902-2504; and Enforcement: Bruce Bjork, Assistant Director, Natural Resources Building, Olympia, (360) 902-2932.

Name of Proponent: Washington Fish and Wildlife Commission, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: The listed WACs delineate GMU boundaries. The proposed language will clarify and simplify boundary descriptions of GMUs. WAC 232-12-289 establishes legal hunting hours to provide recreational opportunity and conserve game resources.

Proposal Changes the Following Existing Rules: See Explanation of Rule above.

No small business economic impact statement has been prepared under chapter 19.85 RCW. These recommendations involve rules for recreational hunters and do not directly regulate small business.

RCW 34.05.328 does not apply to this rule adoption. Not hydraulics rules.

Hearing Location: Cowlitz County PUD, 961 12th Avenue, Longview, WA 98632, on February 7-8, 2003, at 8:00 a m.

This stock is primarily located off the west coast of Vancouver Island, and occasionally moves south to

be available off Washington approximately every five to seven years. The length of time that they are available south of the United States/Canada border is unknown, however, these fishers have indicated an interest in harvesting them for as long as they are available. A Westport processor has secured an overseas market for pollock, selling them frozen whole (not reducing them to fish meal or for surimi products), and may have a market for pollock roe. This summer, there were over seven million pounds of pollock landed into Westport, by these three vessels, during the four weeks that the fishery was open.

Whiting are managed by the Pacific Fishery Management Council under the West Coast Groundfish Fishery Management Plan, but pollock are not. Therefore, pollock are subject to state regulation which allows them to be taken with legal coastal groundfish gear, and landed with a state delivery permit.

Proposal Changes the Following Existing Rules: Sets an incidental pollock quota.

A small business economic impact statement has been prepared under chapter 19.85 RCW.

Small Business Economic Impact Statement

- 1. Description of the Reporting, Record-keeping, and Other Compliance Requirements of the Proposed Rule: There is no reporting or record-keeping requirement. The compliance requirement is a prohibition on retention of pollock unless the fisher is participating in a directed whiting or groundfish fishery.
- 2. Kinds of Professional Services That a Small Business is Likely to Need in Order to Comply with Such Requirements: None.
- 3. Costs of Compliance for Businesses, Including Costs of Equipment, Supplies, Labor, and Increased Administrative Costs: No compliance costs.
- 4. Will Compliance with the Rule Cause Businesses to Lose Sales or Revenue? No. Almost all incidental landings of pollock in 2001 and 2002 fell below the 20% threshold allowed under the proposed rule. The directed pollock fishery will be allowed to continue under a federal exempted fishery permit.
- 5. Cost of Compliance for the 10% of Businesses That are the Largest Businesses Required to Comply with the Proposed Rules Using One or More of the Following as a Basis for Comparing Costs:
 - a. Cost per employee;
 - b. Cost per hour of labor; or
 - c. Cost per one hundred dollars of sales.

No cost of compliance.

- 6. Steps Taken by the Agency to Reduce the Costs of the Rule on Small Businesses or Reasonable Justification for Not Doing So: Because the threshold is set high enough to accommodate all incidental landings and a directed fishery is provided for, it is anticipated that there will be no costs.
- 7. A Description of How the Agency Will Involve Small Businesses in the Development of the Rule: This rule was developed with industry in a series of meetings in Montesano on September 5, 2002, and at the Pacific Fisheries Manage-

ment Council meetings on September 9 and October 28, 2002.

8. A List of Industries That Will Be Required to Comply with the Rule: Coastal trawl fishers.

AMENDATORY SECTION (Amending Order 01-288, filed 12/27/01, effective 1/27/02)

WAC 220-44-050 Coastal bottomfish catch limits. (1) It is unlawful to possess, transport through the waters of the state, or land in any Washington state port bottomfish taken from Marine Fish-Shellfish Management and Catch Reporting Areas 58B, 59A, 59B, 60A, 61, 62, or 63 in excess of the amounts or less than the minimum sizes, or in violation of any gear handling or landing requirement, established by the Pacific Fisheries Management Council and published in the Federal Register, Volume 66, No. 8, published January 11, 2001, except thresher shark are further restricted as provided for in this section. Therefore, persons must consult the federal regulations, which incorporated by reference and made a part of chapter 220-44 WAC. Where rules refer to the fishery management area, that area is extended to include Washington state waters coterminous with the exclusive economic zone. A copy of the federal rules may be obtained by contacting Evan Jacoby at $(((\cdot))360((\cdot))) = 902-2930$.

(a) It is unlawful to possess, transport through the waters of the state, or land into any Washington port, walleye pollock taken with trawl gear from Marine Fish-Shellfish Management and Catch Reporting Areas 58B, 59A-1, 59A-2, 60A-1, 60A-2, 61, 62, or 63, except by trawl vessels participating in the directed Pacific whiting fishery and the directed coastal groundfish fishery.

- (b) It is unlawful for trawl vessels participating in the directed Pacific whiting and/or the directed coastal ground-fish fishery to land incidental catches of walleye pollock greater than twenty percent of their total landing by weight.
- (2) At the time of landing of coastal bottomfish into Washington port, the fish buyer receiving the fish is required to clearly mark on the fish receiving ticket in the space reserved for dealer's use all legally defined trawl gear aboard the vessel at the time of delivery. The three trawl gear types

- are: Midwater trawl, roller trawl and small foot rope trawl (foot rope less than eight inches in diameter). The notation of the gear type(s) aboard the vessel is required prior to the signing of the fish receiving ticket by the vessel representative.
- (3) Vessels engaged in chartered research for National Marine Fisheries Service (NMFS) may land and sell bottomfish caught during that research without the catch being counted toward any trip or cumulative limit for the participating vessel. Vessels that have been compensated for research work by NMFS with an exempted fishing permit (EFP) to land fish as payment for such research may land and sell fish authorized under the EFP without the catch being counted toward any trip or cumulative limit for the participating vessel. Any bottomfish landed during authorized NMFS research or under the authority of a compensating EFP for past chartered research work must be reported on a separate fish receiving ticket and not included on any fish receiving ticket reporting bottomfish landed as part of any trip or cumulative limit. Bottomfish landed under the authority of NMFS research work or an EFP compensating research with fish must be clearly marked "NMFS Compensation Trip" on the fish receiving ticket in the space reserved for dealer's use. The NMFS scientist in charge must sign the fish receiving ticket in the area reserved for dealer's use if any bottomfish are landed during authorized NMFS research. If the fish are landed under the authority of an EFP as payment for research work, the EFP number must be listed in the dealer's use space.
- (4) It is unlawful for an original receiver to receive whiting and whiting by-catch under the authority of an exempted fishing permit (EFP) issued by the National Marine Fisheries Service through the department unless the original receiver has entered into a signed agreement with the department specifying the responsibilities of the original receiver in conjunction with the whiting EFP fishery. Failure to comply with the terms of the agreement shall be cause to remove the original receiver from the list of original receivers allowed to receive unsorted whiting catches from EFP vessels.
- (5) It is unlawful to land thresher shark taken by any means from state and offshore waters of the Pacific Ocean north of the Washington-Oregon boundary and south of the United States-Canada boundary, and it is unlawful to land thresher shark taken south of the Washington-Oregon boundary unless each thresher shark landed is accompanied by a minimum of two swordfish.

WSR 03-02-060 EXPEDITED RULES DEPARTMENT OF SOCIAL AND HEALTH SERVICES

(Medical Assistance Administration) [Filed December 27, 2002, 9:58 a.m.]

Title of Rule: Repealing WAC 388-515-1530 Coordinated community AIDS services alternatives (CASA) program.

Purpose: MAA is repealing this rule per RCW 34.05.353 (2)(c) because circumstances have changed and the CASA program is no longer needed. The same services are available through the community options program entry system (COPES). This proposed action has been coordinated with the Department of Health (DOH). The home and community-based Medicaid waiver, CASA, was written in 1989 for a hospital level of care for terminally ill persons with AIDS. This waiver addressed the realities of available treatments at that time. Advancements in treatment of AIDS have significantly changed those original conditions and rendered the CASA waiver obsolete.

Over the past decade, persons with AIDS have stopped using the waiver. Instead, they use an array of more appropriate services for outpatient and chronic care needs. These include home health nursing services, Medicaid personal care, adult day health services, nursing services, special adult family homes and COPES, which is a home and community-based Medicaid waiver similar to CASA. All of these patients have a longer life expectancy than when the CASA waiver was implemented.

In the past several years, the CASA waiver has not been used by any DSHS client. At the same time, the number of persons and number of hospitalizations for persons living with the AIDS virus have continued to decrease. DSHS and DOH are acting to discontinue the waiver and repeal this rule, but we continue our ongoing collaborative efforts toward appropriate and community-based program options for persons living with HIV/AIDS.

Statutory Authority for Adoption: RCW 74.08.090. Statute Being Implemented: RCW 74.08.090, 34.05.353 (2)(c).

Summary: See Purpose above.

Reasons Supporting Proposal: Rule is no longer necessary because of changed circumstances. Other rules of the agency or of another agency accomplish the same objective, making this rule redundant.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Kevin Sullivan, P.O. Box 45533, Olympia, WA 98504-5533, (360) 725-1344.

Name of Proponent: Department of Social and Health Services, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: See Purpose above.

Proposal Changes the Following Existing Rules: Proposal repeals the rule for the CASA program. See Purpose above.

NOTICE

THIS RULE IS BEING PROPOSED UNDER AN EXPEDITED RULE-MAKING PROCESS THAT WILL ELIMINATE THE NEED FOR THE AGENCY TO HOLD PUBLIC HEARINGS, PREPARE A SMALL BUSINESS ECONOMIC IMPACT STATEMENT, OR PROVIDE RESPONSES TO THE CRITERIA FOR A SIGNIFICANT LEGISLATIVE RULE. IF YOU OBJECT TO THE USE OF THE EXPEDITED RULE-MAKING PROCESS, YOU MUST EXPRESS YOUR OBJECTIONS IN WRITING AND THEY MUST BE SENT TO Andy Fernando, Rules Coordinator, Rules and Policies Assistance Unit, Department of Social and Health Services, P.O. Box 45850, Olympia, WA 98504-5850, fax (360) 664-6185, AND RECEIVED BY 5:00 p.m., March 4, 2003.

- (3) Harvest value adjustments. The stumpage values in subsection (2) of this rule for the designated stumpage value areas are adjusted for various logging and harvest conditions, subject to the following:
- (a) No harvest adjustment is allowed for special forest products, chipwood, or small logs.
- (b) Conifer and hardwood stumpage value rates cannot be adjusted below one dollar per MBF.
- (c) Except for the timber yarded by helicopter, a single logging condition adjustment applies to the entire harvest unit. The taxpayer must use the logging condition adjustment class that applies to a majority (more than 50%) of the acreage in that harvest unit. If the harvest unit is reported over more than one quarter, all quarterly returns for that harvest unit must report the same logging condition adjustment. The helicopter adjustment applies only to the timber volume from the harvest unit that is yarded from stump to landing by helicopter.
- (d) The volume per acre adjustment is a single adjustment class for all quarterly returns reporting a harvest unit. A harvest unit is established by the harvester prior to harvesting. The volume per acre is determined by taking the volume logged from the unit excluding the volume reported as chipwood or small logs and dividing by the total acres logged. Total acres logged does not include leave tree areas (RMZ, UMZ, forested wetlands, etc.,) over 2 acres in size.
- (e) A domestic market adjustment applies to timber which meet the following criteria:
- (i) **Public timber**—Harvest of timber not sold by a competitive bidding process that is prohibited under the authority of state or federal law from foreign export may be eligible for the domestic market adjustment. The adjustment may be applied only to those species of timber that must be processed domestically. According to type of sale, the adjustment may be applied to the following species:

Federal Timber Sales: All species except Alaska-cedar. (Stat. Ref. - 36 C.F.R. 223.10)

State, and Other Nonfederal, Public Timber Sales: Western Redcedar only. (Stat. Ref. - 50 U.S.C. appendix 2406.1)

(ii) **Private timber**—Harvest of private timber that is legally restricted from foreign export, under the authority of The Forest Resources Conservation and Shortage Relief Act (Public Law 101-382), (16 U.S.C. Sec. 620 et seq.); the Export Administration Act of 1979 (50 U.S.C. App. 2406(i)); a Cooperative Sustained Yield Unit Agreement made pursuant to the act of March 29, 1944 (16 U.S.C. Sec. 583-583i); or Washington Administrative Code (WAC 240-15-015(2)) is also eligible for the Domestic Market Adjustment.

The following harvest adjustment tables apply from July 1 through December 31, 2002:

WAC 139-06-010 Certification. (1) Effective January 1, 2002, all Washington peace officers shall be required to submit a signed peace officer certification form to the commission, which shall serve as an official request for certification as a peace officer in Washington state. The form shall be submitted to the commission by the peace officer at such time as the peace officer has met the requirements for certification contained in RCW 43.101.095, and shall certify that the peace officer has met such requirements. The commission shall issue a certificate of peace officer certification upon verification that the peace officer is eligible for certification.

- (2) A peace officer who has satisfied, or has been exempted from, the basic training requirements of RCW 43.101.200, prior to January 1, 2002, but who was not employed as a commissioned peace officer on January 1, 2002, and has not had a break of more than twenty-four consecutive months of law enforcement service, shall upon his or her return to employment submit a peace officer certification form to the commission as described in subsection (1) of this section. The commission shall issue a certificate of peace officer certification upon verification that the peace officer is eligible for certification. If the peace officer's break in law enforcement service was more than twenty-four consecutive months, the peace officer must comply with the training requirements of WAC 139-05-200. The commission shall determine under chapter 43.101 RCW and rules of the commission whether the peace officer is eligible for certification and, if so, it shall determine any requirements that the peace officer must meet as a condition of certification.
- (3) A certification granted based on an administrative exemption under WAC 139-05-200 shall remain in effect for the duration of the exemption.
- (4) Upon determination that a certification form contains missing or deficient information, commission staff shall notify the peace officer and the peace officer's employing agency (for purposes of this chapter, "peace officer's employing agency" shall mean the law enforcement agency of termination and/or current employing law enforcement agency) of such and the peace officer must submit the missing or deficient information to the commission within thirty days of the date the request is issued. Failure to submit the missing or deficient information within the required time shall result in a recommendation that the peace officer's request for certification be denied.
- (4) In order to determine a peace officer's eligibility for certification, commission staff may request information in addition to that provided on the peace officer certification

form. The peace officer or the peace officer's employing agency shall submit the requested information within thirty days of the date the request is issued. Failure to comply with the commission's request shall result in a recommendation that the peace officer's request for certification be denied.

Such notification must be made within fifteen days of the termination becoming final.

(2) The agency shall, upon request by the commission, provide any additional documentation, files or information, as the commission may deem necessary to determine whether the termination provides grounds for revocation or denial of the peace officer's certification.

NEW SECTION

WAC 139-06-040 Investigation, probable cause—Commencement of proceedings. A peace officer's employing agency, or the complainant, if any, may request review by the chair of the commission or his or her designee, of a determination that there is not probable cause to revoke or deny a peace officer's certification, by making such request in writing within fourteen days of the mailing of notification of the decision not to proceed.

A peace officer whose peace officer certification has been denied or revoked may petition the commission for certification or reinstatement of certification at such time as he or she is eligible under RCW 43.101.115 and this section. A peace officer whose certification has been denied or

revoked based on more than a single factor, must be eligible for certification or reinstatement of certification for each factor.

NEW SECTION

WAC 139-06-130 Standards for reinstatement of certification. (1)(a) A peace officer denied certification based upon dismissal or withdrawal from basic law enforcement academy for any reason not also involving discharge for disqualifying misconduct is eligible for readmission and certification upon meeting the requirements set forth in WAC 139-05-242 (Readmission to basic law enforcement academy). The commission may impose a probationary period upon readmission.

- (b) A peace officer denied certification based upon dismissal or withdrawal from basic law enforcement academy for disqualifying misconduct is eligible for readmission and certification only upon meeting the requirements of subsection (4) of this section.
- (2) A peace officer whose certification is denied or revoked based upon prior administrative error of issuance is eligible for certification or reinstatement of certification upon a determination by the commission that the factors that should have prevented the peace officer from being certified have been remedied and the peace officer is otherwise eligible for certification.
- (3) A peace officer whose certification is denied or revoked based upon failure to cooperate, or interference with an investigation, is eligible for certification or reinstatement of certification if the peace officer's conduct did not also involve disqualifying misconduct, or other illegal or unethical conduct, and upon a showing that the peace officer has thereafter fully cooperated and is otherwise eligible for certification. In making its determination, the commission may consider the nature and seriousness of the peace officer's conduct.
- (4) A peace officer whose certification is denied or revoked based upon discharge for disqualifying misconduct, but not also based upon a felony criminal conviction, may, five years after revocation or denial, petition the commission for certification or reinstatement of certification. The commission shall hold a hearing on the petition for certification or reinstatement of certification. The commission may allow certification or reinstatement of certification upon finding that the peace officer has engaged in no further disqualifying or similar misconduct, has had no further criminal convictions, has engaged in no other illegal or unethical conduct, and is otherwise eligible for certification.
- (5) A peace officer whose certification is denied or revoked based solely upon a criminal conviction may petition the commission for certification or reinstatement of certification immediately upon final judicial reversal of the conviction. The commission shall hold a hearing on the petition for certification or reinstatement of certification. The commission may allow certification or reinstatement of certification upon finding that the peace officer has engaged in no further disqualifying or similar misconduct, has had no further criminal convictions, has engaged in no other illegal or unethical conduct, and is otherwise eligible for certification.

(6) A peace officer whose certification has been denied or revoked, or whose certification has lapsed, due to a break of more than twenty-four consecutive months of law enforcement service as a peace officer, may upon return to service as a law enforcement officer, petition the commission for certification or reinstatement of certification. Upon receipt of a petition for certification or reinstatement of certification, the commission shall determine if the peace officer is eligible for certification or reinstatement of certification. The terms of certification or reinstatement of certification may be subject to the requirement of basic law enforcement academy or the basic law enforcement equivalency academy in addition to other requirements as imposed by the commission.

NEW SECTION

WAC 139-06-140 Hearing on reinstatement of certification. (1) The commission may hold a hearing to determine the peace officer's eligibility for certification or reinstatement of certification.

- (2) Upon receipt of a petition for certification or reinstatement of certification and a determination by commission staff that a hearing is necessary, or required, the peace officer and the peace officer's employing agency shall be notified in writing. Where a hearing is not held, the peace officer and the peace officer's employing agency shall be notified in writing of the commission's decision whether to certify or reinstate the peace officer, and the reasons for the decision. Where the peace officer is not certified or reinstated, the peace officer or the peace officer's employing agency may request a hearing before a hearing panel by making such request in writing within fourteen days of the mailing of notification that certification is not being granted or reinstated.
- (3) Hearings on certification or reinstatement of certification shall be conducted by a hearing panel. The hearing panel shall review the certification file and any additional information submitted by the parties prior to the hearing and may request any additional information in order to assist in its determination. The issues shall be limited to whether the peace officer is eligible for certification or reinstatement of certification, and appropriate probationary terms in the event certification is granted or reinstated.
- (4) The hearing panel shall enter a written order regarding certification or reinstatement of certification within ninety days of the conclusion of the hearing, unless the time period is extended for good cause, or waived. A copy of the order shall be sent to the parties, and to the peace officer's employing agency.
- (5) The decision of the hearing panel shall be the final order of the commission.

NEW SECTION

When probation is

imposed, the terms shall be furnished in writing to the peace officer and the peace officer's agency. Failure of the peace officer to meet the terms of probation may be grounds for a hearing to determine the status of the peace officer's certification.

Statutory Authority for Adoption: RCW 74.29.020, 74.08.090.

Other Authority: August 1998 amendments to the Rehabilitation Act of 1973, 34 C.F.R. Part 361 and 34 C.F.R. Part 363, chapters 74.29, 43.19 RCW, RCW 43.43.832, 4.24.550, 71.09.340, 9A.44.130, and chapter 26.44 RCW.

Adopted under notice filed as WSR 02-20-043 on September 25, 2002.

Changes Other than Editing from Proposed to Adopted Version: 1. WAC 388-891-0010 definition of competitive employment is changed to clarify the intent of 34 C.F.R. 361.5(11). In subsection (1), the phrase "in a job that is available to all qualified workers" was deleted.

- 2. WAC 388-891-0110(1) is changed to more clearly identify the types of qualified processionals who may conduct assessments. After "... you must participate in an assessment conducted by a ..." the following phrase was inserted "licensed psychiatrist, psychologist, counselor, certified sex offender treatment provider, or other."
- 3. WAC 388-891-0325 is changed to clarify the services and conditions under which DVR is responsible to pay and the services and conditions under which the customer is responsible to pay. At the beginning of the first sentence following the rule caption, the following phrase was inserted "Except for the services outlined in WAC 388-891-310."
- 4. All of the proposed rules having the term "DVR services" are changed to the term "VR services" for clarity. WAC 388-891-0600 lists VR services by name (not a change). WAC 388-891-0605 through 388-891-0790 describe each VR service (not a change).
- 5. WAC 388-891-0755 is changed to clarify the transition services DVR provides to high school students in compliance with WAC 388-891-0300(5) and 388-891-0310 according to 34 C.F.R. 361.5(10) and 34 C.F.R. 361.53 (c)(1). The rule caption is changed to read "What are transition services?" The entire text of the proposed rule was deleted and replaced with:
- "(1) Transition services are work-related activities you begin while you are in high school that are coordinated with

VR services to help you prepare for and go to work in the community after you leave high school.

(2) Transition services may include any of the VR services listed under WAC 388-891-0600."

This revision does not change the effect of the rule as proposed.

- 6. WAC 388-891-0770 (4)(b) is changed to clarify that moving violations related to driving a vehicle must be disclosed in a driving record. After "A copy of your driving record," the following phrase was inserted "disclosing any moving violations and."
- 7. WAC 388-891-0770 (4)(d) is changed to clarify the rationale for requiring a customer to sign a written agreement concerning how he or she will pay for maintenance and repair of a vehicle provided by DVR. At the end of proposed subsection (d), the semicolon was deleted and the following was added:", as this is a requirement for subsequent ownership of the vehicle."
- 8. WAC 388-891-1020 is changed to clarify the intent of 34 C.F.R. 361.42(3). A period was inserted after the phrase "... DVR presumes you are an eligible individual" and the rest of this proposed rule was deleted.

[Order 417-A—Filed December 24, 2002, 11:24 a.m., effective June 30, 2003]

Date of Adoption: November 15, 2002.

Purpose: To correct an inadvertent clerical error. Four identification stamps are required to be renewed annually. When WAC 230-08-017(5) was reformatted into a chart form, the word "annually" was inadvertently omitted from the four stamps. The four stamps which require renewal annually are: Electronic pull-tab dispensing device, amusement games, electronic bingo daubers and electronic card facsimile tables. Removing the "annual" fee was not discussed by the commission during public hearings and it was not the intention of the commission that the word "annually" be removed from this rule, it was an inadvertent omission due to a clerical error. Therefore, this filing will insert the word "annually" back into the chart under fees for these devices, under subsection (5)(b)(ii), (d), (e) and (f).

WAC 220-76-100 Marine finfish aquaculture— Approval permit for marine finfish aquaculture. (1) It is unlawful for any aquatic farmer to possess any species, stock or race of marine finfish, defined as finfish being raised in marine waters, in net pens, cages or other rearing vessels without having first obtained and possessing a valid marine finfish aquaculture permit from the director for that species, stock and race at that specific location of rearing or holding. The director will approve, condition, or deny a permit within sixty days after a completed application containing all requested information is received by the department's aquaculture coordinator. The application must be accompanied by an escape prevention plan and the escape reporting and recapture plan as required by this chapter. A permit may be denied based on the determination by the director of significant genetic, ecological or fish health risks of the proposed fish rearing program on naturally occurring fish and wildlife, their habitat or other existing fish rearing programs. The use of transgenic fish (as defined by the actual transfer of genetic material from one species to another) is prohibited. Each permit application must contain a means mutually agreed to by the department and the aquatic farmer to individually identify to the aquatic farmer all marine finfish in aquaculture hatched after December 31, 2003. A permit will be valid for a period of five years from the date of approval. The department will comply with the procedures of any appropriate federal court order in processing permit applications. Any change in species, stock, or race at a specific location of rearing or holding will require reapproval of the marine finfish rearing operation. In the event of denial, the affected person may appeal the decision to the director. The department will advise the person of the appeals process. Additional appeals may be made through the Administrative Procedure Act (chapter 34.05 RCW).

(2) Any person who imports marine finfish into the state for aquaculture or transports marine finfish within the state for aquaculture and who does not have an approved marine finfish aquaculture permit is guilty of unlawfully transporting finfish. Violation of this section shall be enforced under RCW 77.15.290.

AMENDATORY SECTION (Amending WSR 02-18-048, filed 8/28/02, effective 9/1/02)

WAC 415-02-380 Survivor options factors. (1) What is a "surviving beneficiary"? A surviving beneficiary is a person you designate when you retire who will receive benefit payments for the duration of his or her life, beginning at your death.

- (2) Will selecting a surviving beneficiary affect my retirement benefits? Yes. Retirees who select a surviving beneficiary retirement option receive smaller benefit payments upon retirement than those retirees who do not select this option.
- (3) **Does it matter if I am married?** Yes. If you are married, you must provide your spouse's written consent to the option you select. If you are married, and you and your spouse do not give written consent to an option, the department will pay you a joint and fifty percent survivor benefit and record your spouse as the beneficiary. For details, please review:

LEOFF Plan 2:	RCW 41.26.460(2)	WAC 415-104-211 and 415-104-215

PERS Plan 2:	RCW 41.40.660(2)	WAC 415-108-324 and 415-108-326
PERS Plan 3:	RCW 41.40.845(2)	WAC 415-108-324 and 415-108-326

TRS Plan 1:	RCW 41.32.530(2)	WAC 415-112-710 to 415-112-727
TRS Plan 2:	RCW 41.32.785(2)	WAC 415-112-710 to 415-112-727
TRS Plan 3:	RCW 41.32.851(2)	WAC 415-112-710 to 415-112-727
WSPRS Plan 2:	RCW 43.43.271(2)	WAC 415-103-225

- (4) Why does the surviving beneficiary's age matter? The surviving beneficiary's age is used in determining the amount of the payments. The younger the surviving beneficiary, the longer he or she is expected to receive payments. The monthly benefit must be reduced accordingly.
- (5) What are the survivor options? The survivor options are described in detail within each plan. For details, please see the list in subsection (3) of this section.

To summarize:

Option 2 - Joint and 100 percent survivorship

Option 3 - Joint and 50 percent survivorship

Option 4 - Joint and 66.67 percent survivorship

- (6) Examples
- (a) Example (a):

Kendra, a PERS Plan 2 member, chooses Option 3 (joint and 50 percent survivorship) at retirement. She names her nephew, Steve, as her surviving beneficiary. This means that Steve would receive half of Kendra's benefit amount after Kendra's death. Steve is 30 years younger than Kendra. PERS would use the survivor option factor table ("member older") to calculate the adjustment. With a 30-year age difference (member minus beneficiary), the value corresponding to PERS Plan 2 and Option 3 is 0.753. This value, 0.753, is multiplied against the amount Kendra would have received under Option 1. Kendra's retirement benefits will be reduced to about 75% of her Option 1 level.

(b) Example (b):

Mark, a LEOFF Plan 2 member, chooses Option 2 (joint and 100 percent survivorship) at retirement. He names his

wife, Susan, as his surviving beneficiary. This means Susan would receive the same benefit amount Mark had received prior to his death. Mark is five years younger than Susan. LEOFF would use the survivor option factors table ("member younger") to calculate the adjustment for the age difference. With a 5-year age difference (member minus beneficiary), the value corresponding to LEOFF Plan 2 and Option 2 is 0.894. This value, 0.894, will be multiplied against the amount Mark would have received under Option 1. Mark's retirement benefits will be reduced to about 89 percent of his Option 1 level.

(7) Table - Member older (PERS and SERS)

NEW SECTION

WAC 16-200-7401 Statement of purpose—Penalty assignment. For the purpose of fair, uniform determination of penalty as set forth in WAC 16-200-7401 through 16-200-7407, the director hereby declares:

- (1) Regulatory action is necessary to deter violations of the Fertilizer Regulation Act and rules adopted under it, and to educate persons about the consequences of such violation(s); and
- (2) Any regulatory action taken by the department against any person who violates the provisions of chapter 15.54 RCW and/or rules adopted under it shall be commensurate with the seriousness of the violation under the circumstances; and
- (3) Each person shall be treated fairly in accordance with the rules set forth in this chapter and in adherence with the Administrative Procedure Act (chapter 34.05 RCW).

NEW SECTION

WAC 16-200-7402 Definitions—Penalty assignment. In addition to the definitions set forth in RCW 15.54.270 and WAC 16-200-695, the following shall apply to WAC 16-200-7401 through 16-200-7407.

- (1) "Adverse effect(s)" means that the effects resulting from violations of chapter 15.54 RCW or the rules adopted under it actually causes, or creates the possibility of damage or injury to humans, animals, plants, property or the environment, or causes or creates the possibility of a threat to public health.
- (2) "Level of violation" means that the alleged violation is a first, second, third, fourth, or more violation(s).
- (a) First violation. This means the alleged violator has committed no prior violation within three years of committing the current alleged violation.
- (b) Second violation. This means the alleged violator committed one prior violation within three years of committing the current alleged violation.
- (c) Third violation. This means the alleged violator committed two prior violations within three years of committing the current alleged violation.
- (d) Fourth violation. This means the alleged violator committed three or more prior violations within three years of committing the current alleged violation.
- (e) For purposes of calculating the level of violation, prior violations will be measured from the date that a final action was taken by the department and not from the date that the violation(s) occurred.
- (3) "Not probable" means that the alleged violator's conduct more likely than not would not have an adverse effect.
- (4) "Probable" means that the alleged violator's conduct more likely than not would have an adverse effect.
- (5) "Violation" means commission of an act or acts prohibited by chapter 15.54 RCW, and/or rules adopted under it.
- (6) "Civil penalty" means a monetary penalty administratively issued by a regulatory agency for noncompliance with state or federal law, or rules. The term does not include any criminal penalty, damage assessment, wages, premiums, taxes owed, interest or late fees on any existing obligation.
- (7) "Notice of correction" means a document issued by the department that describes a condition or conduct that is not in compliance with chapter 15.54 RCW, or the rules adopted under it and is not subject to civil penalties as provided for in RCW 43.05.110. A notice of correction is not a formal enforcement action, is not subject to appeal and is a public record.
- (8) "Notice of intent" means a document issued by the department that alleges specific violations of chapter 15.54 RCW, or any rules adopted under it. A notice of intent is a formal enforcement document issued with the intent to assess civil penalties to the alleged violator and/or to deny or cancel a license issued under the authority of chapter 15.54 RCW.

NEW SECTION

WAC 16-200-7403 Application of RCW 43.05.100 and 43.05.110—Issuance of a civil penalty without first issuing a notice of correction. (1) Pursuant to RCW

- 43.05.100, a notice of correction may be issued by the department when they become aware of conditions and/or conduct that are not in compliance with the applicable laws and rules enforced by the department. The issuance of a notice of correction by the department shall not constitute a previous violation for purposes of WAC 16-200-7402(2), but may, at the discretion of the department, be considered as an aggravating factor for the purposes of WAC 16-200-7404(2).
- (2) Prior to issuing a civil penalty for a violation of chapter 15.54 RCW and/or the rules adopted under it, the department shall comply with the requirements of RCW 43.05.110. RCW 43.05.110 allows the department of agriculture to issue a civil penalty provided for by law without first issuing a notice of correction if:
- (a) The person has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule or has been given a previous notice of the same or similar type of violation of the same statute or rule;
- (b) Compliance is not achieved by the date established by the department in a previously issued notice of correction, if the department has responded to any request for review of such date by reaffirming the original date or establishing a new date; or
- (c) The violation has a probability of placing a person in danger of death or bodily harm, has a probability of causing more than minor environmental harm, or has a probability of causing physical damage to the property of another in an amount exceeding one thousand dollars; or
- (d) The violation was committed by a business that employed fifty or more employees on at least one day in each of the preceding twelve months.

NEW SECTION

WAC 16-200-7404 Calculation of a civil penalty. (1) In the disposition of administrative cases, the department shall use the penalty assignment schedules listed in WAC 16-200-7407 to determine the appropriate penalty. The department shall calculate the appropriate penalty based on the level of violation and the adverse effect(s) or potential adverse effects at the time of the incident(s) giving rise to the violation. The median penalty shall be assessed unless an adjustment is warranted due to aggravating or mitigating factors. The median penalty may be adjusted to a level greater than the maximum penalty listed for the violation in the penalty assignment schedule table, but shall not exceed seven thousand five hundred dollars per violation. The median penalty may be adjusted to a lesser amount due to mitigating factors, but not less than the minimum penalty listed for the violation.

- (2) Adjustment of median penalty.
- (a) The department reserves the right to increase the civil penalty when certain aggravating factors are present. Such aggravating factors include, but are not limited to:
- (i) Situations where the civil penalty assessed is not substantially equivalent to the violator's economic benefit derived from the violation;
- (ii) The number of separate alleged violations contained within a single notice of intent;

[57] Permanent

- (iii) The high magnitude of the harm, or potential harm, including quantity and/or degree, to humans, animals, plants, property or the environment caused by the violation(s);
- (iv) The similarity of the current alleged violation to previous violations committed within the last three years;
- (v) The extent to which the alleged violation is part of a pattern of the same or substantially similar conduct.
- (b) The department also reserves the right to decrease the civil penalty when certain mitigating factors are present. Such mitigating factors include, but are not limited to:
- (i) Situations involving voluntary disclosure of a violation;
- (ii) Situations involving a low magnitude of the harm, or potential harm, including quantity and/or degree, caused by the violation;
- (iii) Voluntary taking of remedial measures that will result in increased public protection, or that will result in a decreased likelihood that the violation will be repeated.
- (3) The department considers each violation to be a separate and distinct event. When a person has committed multiple violations, the violations are cumulative for purposes of calculating the appropriate civil penalty. The penalties are added together.
- (4) Violation(s) committed during the period when a bulk fertilizer distribution license is denied or canceled shall be subject to the maximum civil penalty of seven thousand five hundred dollars and/or cancellation of the bulk fertilizer distribution license for a period of up to five years.

NEW SECTION

WAC 16-200-7405 Denial or cancellation of a bulk fertilizer distribution license. (1) The department retains the sole discretion to determine when a bulk fertilizer distribution license should be canceled. Cancellation of a license shall be an option for the department in those circumstances where:

- (a) The penalty schedule allows for cancellation; and/or
- (b) One or more aggravating factors are present.

- (2) In circumstances where the department determines cancellation to be appropriate, the period of cancellation shall be determined at the discretion of the department, but in no instance shall exceed five years.
- (3) The department may deny an applicant a license when the applicant has committed a violation(s) of chapter 15.54 RCW and/or the rules adopted under that chapter. The duration of denial shall be determined based upon the penalty provisions of this chapter. In circumstances where the department determines denial to be appropriate, the period of denial shall not exceed five years.
- (4) Nothing shall prevent the department from denying an applicant a license when the applicant has an outstanding civil penalty owed to the department from a previous violation(s).

NEW SECTION

WAC 16-200-7406 Other dispositions of alleged violations. Nothing herein shall prevent the department from:

- (1) Choosing not to pursue a civil penalty or bulk fertilizer distribution license denial or cancellation.
- (2) Issuing a notice of correction in lieu of pursuing a civil penalty, or bulk fertilizer distribution license denial or cancellation.
- (3) Negotiating settlement(s) of cases on such terms and for such reasons as it deems appropriate. Prior violation(s) covered by a prior settlement agreement may be used by the department for the purpose of determining the appropriate penalty for the current alleged violation(s) if not prohibited by the agreement.
- (4) Referring violations or alleged violations to any federal, state or county authority with jurisdiction over the activities in question.

WSR 03-02-006 EMERGENCY RULES DEPARTMENT OF FISH AND WILDLIFE

[Order 02-302—Filed December 20, 2002, 1:43 p.m.]

Date of Adoption: December 19, 2002.

Purpose: Amend hunting rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 232-28-42600A and 232-28-42600B; and amending WAC 232-28-426.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This rule is necessary to close Management Area 2B on December 25, 2002. Willapa National Wildlife Refuge has informed us that they will not run a mandatory check station on Christmas. There is insufficient time to promulgate permanent rules.

WSR 03-02-017 EMERGENCY RULES DEPARTMENT OF FISH AND WILDLIFE

[Order 02-303—Filed December 20, 2002, 4:02 p.m., effective January 1, 2003]

Date of Adoption: December 20, 2002.

Purpose: Amend commercial fishing rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 220-33-04000S; and amending WAC 220-33-040.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: The smelt fishery regulations are consistent with Level 3 fisheries in the "Washington and Oregon Eulachon Management Plan" for the Columbia River. Improved ocean conditions are expected to benefit smelt returns, and abundance in 2003 is expected to be consistent with Level 3 fisheries. Rule is consistent with Columbia River compact action of December 18, 2002. There is insufficient time to promulgate permanent regulations.

[Order 02-308—Filed December 24, 2002, 1:40 p.m., effective December 25, 2002, 12:01 a.m.]

Date of Adoption: December 24, 2002. Purpose: Amend commercial fishing rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 220-52-07300Z; and amending WAC 220-52-073.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Harvestable amounts of red and green sea urchins exist in the areas described. Prohibition of all diving within one or two days of scheduled sea urchin openings discourages the practice of fishing on closed days and hiding the unlawful catch underwater until the legal opening. There is insufficient time to promulgate permanent rules.

(Economic Services Administration) [Filed December 30, 2002, 3:46 p.m.]

Date of Adoption: December 30, 2002.

Purpose: Amend existing rule to comply with federal requirements. The Division of Employment and Assistance Programs is amending WAC 388-470-0005 Resource eligibility and limits, to implement new federal statutes on resource limits for households containing a disabled individual. The department filed the proposed rule as WSR 02-21-095 and the public hearing was held November 26, 2002. A second emergency rule is needed while the permanent rule is being adopted.

Citation of Existing Rules Affected by this Order: Amending WAC 388-470-0005.

Statutory Authority for Adoption: RCW 74.04.050, 74.04.057, 74.04.510.

Other Authority: Farm Security and Rural Investment Act of 2002, Title IV, Section 4107(1), United States Food and Nutrition Service Administrative Notice 02-33.

Under RCW 34.05.350 the agency for good cause finds that state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this Finding: WAC 388-470-0005 changes the resource limit for assistance units with a disabled individual to \$3,000 to meet the requirements of the Farm Security and Rural Investment Act of 2002 - Title IV, Section 4107(1). This law was enacted on May 13, 2002, and required this rule change be effective October 1, 2002, to be in compliance with federal statute.

Date of Adoption: December 30, 2002.

Purpose: Amend commercial fishing rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 220-33-01000Y; and amending WAC 220-33-010.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Harvestable numbers of sturgeon are available under the harvest guideline of 8,000 fish for 2003. The fishery will provide an opportunity for the commercial fishers to harvest a portion of their sturgeon allocation during a time frame when impacts to salmonids is minimal. Regulation is consistent with the management guidelines and objectives adopted by the Fish and Wildlife Commission and is consistent with compact action of December

18, 2002. There is insufficient time to promulgate permanent regulations.

[Order 02-310—Filed December 31, 2002, 2:20 p.m., effective January 1, 2003]

Date of Adoption: December 31, 2002.

Purpose: Amend personal use fishing rules.

Citation of Existing Rules Affected by this Order: Amending WAC 220-56-350 and 220-56-380.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This regulation is needed to adjust seasons to accommodate changes in resource abundance and state/tribal allocations. A reduced clam population at Eagle Creek requires a shortened summer season. Increased oyster populations at Point Whitney and Triton Cove Tidelands allow a year-round season. There is insufficient time to promulgate permanent rules.

The legislature has statutorily exempted Class I, II and III forest practices from SEPA review under RCW 43.21C.037 and 76.09.050(1). However, when ecology adopted the SEPA rules in 1984 Class I, II, and III forest practices, along with all of the other "statutory exemptions" contained in chapte 43.21C RCW, were included within the list of "categorical exemptions" in part nine of the rules. This has resulted in the "statutory exemptions" being subject to the provisions of WAC 197-11-305 requiring SEPA review in certain prescribed circum stances. This is inconsistent with legislation contained in chapter 43.21C RCW providing that statutorily exempt actions are not subject to environmental review under SEPA. The purpose of ecology's proposed rule making is to clarify that the "statutory exemptions" in chapter 43.21C RCW, including Class I, II, and III forest practices, are not subject to the requirements of WAC 197-11-305.

The Department of Revenue's Rule Development Agenda shows those rules for which we anticipate some formal rule-making action, either a public meeting, hearing, or adoption, by July 31, 2003. THE WASHINGTON STATE REGISTER, published under RCW 34.08.020, is distributed on the first and third Wednesdays of each month. The Register contains the full text of proposed, emergency, and permanently adopted rules of state agencies, executive orders of the governor, notices of public meetings of state agencies, rules of the state supreme court, summaries of attorney general opinions, and juvenile disposition standards that have been filed in the code reviser's office before the closing date for that issue of the Register. A cumulative table of existing sections of the Washington Administrative Code (WAC) affected by a particular agency action guides the user to the proper issue of the Register.

The code reviser's office has established an annual subscription price of \$195 for a Register subscription, and single copies cost \$8.25. Sales tax of 8.4% applies to all sales other than to state agencies. State law requires payment in advance. To subscribe to the Register, please complete the order form above and forward it to the address indicated, accompanied by your check or money order in the amount of \$211.38 (\$195 for state agencies) payable to the code reviser's office.
